OUR MISSION THIS WEEK

THE MISSION
SISTER CLARE

Your Mark 10 Mission is inspired by Sr Clare Crockett and her beautiful heart for serving others. Find a chance to do something for another person or group when you are tired or short of energy.

The secret of this mission is not to tell anyone that you were tired or wanted to leave. Just keep it quiet, don't make a fuss and offer this little act of service to God.

Well done to the Stars of the week

Here is the after school Spanish club working hard.

Last week, Olivia collected her half marathon wristband for completing eleven park runs. WOW, what an amazing achievement!

This week, Evie and Orla collected theirs too. Well done girls, we are very proud of you all!

Well done to Thea who has been looking after the environment this week and completing litter picking each morning on the way to school. What a role model for us all. Keep it up Thea!

On Thursday, Madame Johnson organised a fantastic French morning for KS2 to celebrate European Languages day. Thank you to Mrs Johnson and her team of Y6 experts.

READING NEWS

September news 2024

We're excited to share some fantastic updates about reading at school this term! We know that developing a love for reading is essential for children's success, and we're committed to making reading enjoyable and engaging for all our pupils.

To support this, we've recently received a new delivery of books, specially chosen to inspire and motivate our reluctant readers. These titles are designed to capture the imaginations of those who might find reading more of a challenge.

In addition, our ongoing partnership with Coventry School Library Services continues to bring in a wonderful selection of books and resources that not only enrich reading but also support broader areas of the curriculum. These resources are a fantastic way to deepen learning across different subjects.

And finally, keep an eye out for our exciting new reading challenge launching next week, open to all students from Years 1 to Year 6! We can't wait to see everyone getting involved and enjoying the fun of reading together.

Happy reading!

Reading events taking place in school:

Tuesday 1st October: Our Year 6 students will take part in an immersive Macbeth theatre workshop, right here at school! This workshop will launch our new class text, bringing Shakespeare's famous tragedy to life in an engaging and interactive way. It's a fantastic opportunity for the children to deepen their understanding of the play and explore its themes through performance.

Monday 21st October: Year 3 and Year 4 will be visiting Warwick Arts Centre for a special event with Liz Pichon, the award-winning author of the Tom Gates series! This is an incredible chance for our students to meet a well-loved author, hear about the creative process, and be inspired by her stories.

We're looking forward to these events and can't wait to see the enthusiasm they bring to our reading this term!

Year 6 pupils would like to share about the Our Lady of Walsingham KS2 CTK bake off!

In celebration of the recent Feast day, Year 6 pupils are inviting all members of Our Lady of Walsingham house from KS2 to bake a cake!

Best cake wins! Must be made at home.

Please bring your cakes in on Monday 30th September 2024

Due to tasting and allergies, we please ask you must write down your recipe so we know what has been used to make your cake.

Please remember, on this occasion, it is only children from Our Lady of Walsingham house to bake a cake for Monday.
It is important to note that this is also optional.

Thank you and have fun!

INSTAGRAM

WHAT ARE THE RISKS?

Instagram is a highly popular social media platform with over 2 billion active monthly users. The app is continuously updating and adding new features to meet the wishes of its audience, allowing them to upload images and videos to their Instagram feed, create interactive 'stories', go live, exchange private messages or explore and follow other accounts that catch their eye.

ADDICTION

Many social media platforms, Instagram included, are designed to keep us engaged on them for as long as possible. They encourage scrolling often and scrolling more in case we miss something important – in essence, a fear of missing out. On Instagram, young people can lose track of time when aimlessly scrolling and watching videos posted by friends, acquaintances, influencers and possibly strangers.

UNREALISTIC IDEALS

Children sometimes compare themselves to what they see online: how they look, how they dress, and the way their life is going in comparison to others on social media. However, most people only share the positives about their lives online and many use filters when sharing pictures of themselves. A constant comparison with unrealistic ideals can lead to insecurity over one's own appearance and lifestyle.

GOING LIVE

Livestreaming on Instagram allows users to connect with friends and followers in real time. Risks increase if the account is public, because that means anyone can watch the broadcast, which could result in further contact from strangers. Additional dangers of going live include an impulse to act inappropriately to draw more viewers, as well as being exposed to harmful content or offensive language.

INFLUENCER CULTURE

Social media influencers are sometimes paid thousands of pounds to promote products, services, apps and more. When celebrities or influencers post such content, it often says 'paid partnership' above the post. In April 2024, Ofcom found that over a quarter of children (27%) believed in influencer marketing, accepting their endorsement of products wholeheartedly. So it's perfectly possible for young people to be taken in by this kind of content.

PRODUCT TAGGING

Product tags allow users to tag a product or business in their post. This tag will take viewers directly to the product detail page on the shop where the item can be purchased. Children may also be encouraged by influencers to purchase products that they advertise.

EXCLUSION & OSTRACISM

Youngsters are highly sensitive to feeling excluded, which comes in many forms: not receiving as many 'likes' as expected; not being tagged in a friend's photo; being unfriended; not receiving a comment on their post or a reply to a message they sent. Being excluded online hurts just as much as offline. Young people have reported lower moods and self-esteem when excluded in this way, feeling as if they don't belong and aren't valued.

Advice for Parents & Educators

AVOID GOING PUBLIC

If a young user wants to share their clothing style, make up or similar and use product tagging to show off the items in their post, they may be tempted to change their settings to public. This leaves their profile visible to everyone, which carries the risk of strangers getting in touch with them. Set a child's account to private and explain the importance of keeping it this way.

HAVE AN OPEN DIALOGUE

Talk to children about the positives and negatives of social media, including the risks involved and how they can view or create content safely with family and friends. Explain how safety settings will ensure only followers can view them, and why this is so important. Also, if you find a child continuously uses filters on their photos, ask them why and impress on them that they don't need it.

MANAGE LIKE COUNTS

Due to the potential impact on mental wellbeing, Instagram allows users to hide the total likes on their posts, to prevent people from obsessing over that number in the corner. Users can hide like counts on all the posts in their feed as well as on their own posts. This means others can't see how many likes a person gets. This can be done by going into Settings > Notifications > Posts > Likes > Off.

USE MODERATORS

Instagram Live has implemented a mechanic called 'Moderators', meaning that creators can assign a moderator and give them the power to report comments, remove viewers and remove the ability for certain viewers to comment at all. Consider this if a child in your care wants to go live on the platform. It's also recommended to keep devices in communal spaces so you're aware if a child does go live or watch a livestream.

FOLLOW INFLUENCERS

Following influencers will allow you to monitor what they're sharing as well as being able to discuss anything which you deem inappropriate. Talk to children about who they follow and help them to develop critical thinking skills about what the influencer is trying to do. For example, encourage the child to ask themselves if an influencer is trying to sell them a product when they make a video endorsing it.

BALANCE YOUR TIME

Instagram has a built-in activity dashboard that lets you control how much time is spent on the app. Make sure children sign in to the platform with the correct age, as Instagram's 'Teen Accounts' afford much more control for parents and carers over how long they can use the app each day. Talk with young users about how much time they spend on Instagram and work together to set a healthy time limit.

PENALTY NOTICE UPDATES

Attendance and Children Missing Education Team

Penalty Notices - Advice to Parents and Carers (August 2024)

What is the Anti-Social Behaviour Act 2003?

Section 23 of the Act gives powers to the Local Authority and other designated bodies to issue penalty notices where a parent / carer is considered capable of but unwilling to secure an improvement in their child's school attendance.

What is a Penalty Notice?

A Penalty Notice is a fine which may be issued as an alternative to prosecution. If it is paid it does not require a court appearance and does not result in a criminal record.

Why has it been introduced?

It is well recognised that regular attendance at school is crucial to a child or young person's future prospects. Reducing absence from school continues to be a priority both nationally and locally, because missing school can impact attainment levels, disrupts school routines, affects the learning of others and can leave young people vulnerable to anti-social behaviour and crime. In the longer term, missing school can also seriously affect a child's life opportunities.

A penalty notice is an alternative to prosecution, which does not require an appearance in Court whilst still securing an improvement in a pupil's attendance. Payment of a Penalty Notice enables parents to discharge potential liability for conviction for failure to ensure regular school attendance during the period in question.

Under the new national framework (19th August 2024), all schools will be required to consider a fine when a child has missed 10 or more sessions (5 days) for unauthorised reasons.

When are they used?

The Local Authority considers that regular attendance at school is of such importance that Penalty Notices may and usually will be issued where unauthorised absence occurs. A penalty notice can be issued if a child is absent from school for any of the following reasons:

What happens if I do not pay?

If not fully paid within 28 days and there is no reason to withdraw the notice, the Local Authority will consider prosecution in the Magistrate's Court for failing to ensure regular school attendance.

A fine of up to £2,500 or a community penalty could be imposed together with a Parenting Order.

Is there an appeal process?

There is no statutory right of appeal once a Notice has been issued. The Local Authority is acting on behalf of schools and will not withdraw Penalty Notices, unless there has been a breach of the Code of Conduct. Advice and guidance is available for parents from school staff and the Attendance & Children Missing Education Team.

Can I be prosecuted if I pay the Penalty Notice, but my child is still missing school?

Not for the period included in the Penalty Notice (payment discharges your liability in this respect). However, it may be the case that a prosecution might be considered for further periods of poor attendance not covered by the Notice. If this is an issue, it is vital that you work closely with your child's school and support agencies.

Can I get help if my child is not attending regularly?

Yes, your child's school can provide advice and signpost you to external support services who can also give you advice and support if you need help to improve your child's school attendance, although you should be aware that this is ultimately the legal responsibility of the parent / carer.

It is still very important that you speak with your child's school at the earliest opportunity if you have any worries at all about ensuring the regular and punctual attendance of your child at school.

You can also contact the Local Authority on Tel: 024 7697 5434 (Option 1)

I haven't had notification from the school to inform me that the leave of absence/holiday has not been authorised. What should I do?

In the first instance you should contact the Attendance Officer at the school your child attends as the school will have requested that a Penalty Notice be issued.

Where can I find more information?

For more information about the issuing of Penalty Notices you can contact the Local

Leave of Absence

Penalty Notices can be requested by schools for leave of absence in term time for 10 sessions (5 or more days). This can be consecutive absence, or non-consecutive. In line with the National Framework, the Local Authority retains the discretion to issue a Penalty Notice before the threshold is met.

Unauthorised Absence

Penalty Notices can be requested by schools when there have been 10 sessions (5 or more days) of unauthorised absence in a 10-week period. In these circumstances a Notice to Improve will be sent by the Local Authority on behalf of the school, this will detail the minimum support expected to have been implemented to improve school attendance. The Notice to Improve will also detail the expected improvements that must be made over a 20-day period to prevent the Penalty Notice being issued.

Under the new legislation, parents / carers commit an offence if a child fails to attend regularly, and the absences are classed as unauthorised (those for which the school cannot or has not given permission). Depending on circumstances, such cases will result in prosecution under Section 444(1) of the Education Act 1996.

How are they issued and what are the costs?

From August 2024, Penalty Notices will be issued by post to your home address. The Penalty Notice is:

- £80 if paid within 21 days (per parent, per child)
- £160 if paid in full after the 21 days but within 28 days. (per parent, per child)

This rate is in line with inflation and is the first increase since 2012.

- In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate
- £160 within 28 days (per parent, per child)

Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a Parenting Order or Prosecution will be considered.

How do I pay?

Details of payment arrangements will be included on the Penalty Notice. Payment can be made by cash (in person at our Customer Service Centre, Broadgate), by telephone (using a debit/credit card) or via the internet. The whole amount must be paid by the due date. Note: payment in part or by instalment is not an option with Penalty Notices
