

READING NEWS

September news 2024

We're excited to share some fantastic updates about reading at school this term! We know that developing a love for reading is essential for children's success, and we're committed to making reading enjoyable and engaging for all our pupils.

To support this, we've recently received a new delivery of books, specially chosen to inspire and motivate our reluctant readers. These titles are designed to capture the imaginations of those who might find reading more of a challenge.

In addition, our ongoing partnership with Coventry School Library Services continues to bring in a wonderful selection of books and resources that not only enrich reading but also support broader areas of the curriculum. These resources are a fantastic way to deepen learning across different subjects.

And finally, keep an eye out for our exciting new reading challenge launching next week, open to all students from Years 1 to Year 6! We can't wait to see everyone getting involved and enjoying the fun of reading together.

Happy reading!

Reading events taking place in school:

Tuesday 1st October: Our Year 6 students will take part in an immersive Macbeth theatre workshop, right here at school! This workshop will launch our new class text, bringing Shakespeare's famous tragedy to life in an engaging and interactive way. It's a fantastic opportunity for the children to deepen their understanding of the play and explore its themes through performance.

Monday 21st October: Year 3 and Year 4 will be visiting Warwick Arts Centre for a special event with Liz Pichon, the award-winning author of the Tom Gates series! This is an incredible chance for our students to meet a well-loved author, hear about the creative process, and be inspired by her stories.

We're looking forward to these events and can't wait to see the enthusiasm they bring to our reading this term!
