Reading events taking place in school:

Monday 21st October: Year 3 and Year 4 will be visiting Warwick Arts Centre for a special event with Liz Pichon, the award-winning author of the Tom Gates series! This is an incredible chance for our students to meet a well-loved author, hear about the creative process, and be inspired by her stories.

We're looking forward to these events and can't wait to see the enthusiasm they bring to our reading this term!
