CHARITY FUNDRAISING

We want to take this opportunity to extend our heartfelt thanks to you all for your incredible generosity throughout Lent. Your kindness and support, through food donations to the Hope Project and your contributions to our weekly fundraising events, have been truly inspiring. So far, we have raised an incredible £1,000 for our Lenten charities—an achievement that reflects the wonderful spirit of our school community.

As we enter the final week of fundraising, we will be holding a raffle for the children, with tickets available for 20p each. The staff Easter egg raffle will also take place on Friday, 11th April. All money raised will be donated to charity.

Thank you once again for your continued kindness and generosity—it makes a real difference.

OUR MISSION THIS WEEK

THE MISSION
THE LOST SON

Pray the Examen prayer at the end of your day. Begin by asking the Holy Spirit to help you look back through your day. Where were you moving towards God with your kind actions and choices? Thank God for his help in those moments. Then look honestly at any times when you moved away from God in things you did or said. Make a simple prayer saying sorry and ask God to help you make a better decision next time. Finally enjoy the best part of prayer, being wrapped in God's love. Like getting a big hug from a loving Father, end your Examen prayer letting God hold you in his love.

JOURNEY THROUGH THE SEASON OF LENT

Lent Club

A huge thank you to Mrs. Williams and Mrs. Thompson for their dedication in organising and leading our Lenten Club over the past four weeks. The children have thoroughly enjoyed taking part in the creative art activities while also having the opportunity to pause for prayer and reflection as they continue their journey of faith. It has been a wonderful way for them to deepen their understanding of Lent and prepare spiritually for Easter.

Thank you both for your time, effort, and commitment to making this such a meaningful experience for our children!

Palm Sunday Mass & Procession WITH JAVA THE DONKEY!

9am Mass begins with a procession featuring Java the Donkey and Palm Branches.

Mass followed by Donkey petting in the school playground.

All are welcome!

9am, 13th April 2025
Christ the King Church

Lenten Charities

Thank you to all the children in Our Lady of Walsingham for leading the fourth and final week of stalls to help raise money for CAFOD and Father Hudson's.

This week the children raised £490. Thanks to everyone for their support, we really appreciate it. That is currently a total of £1490 for charity.

Loving Jesus,

As we continue our Lenten journey, help us to grow closer to You each day. Teach us to be kind, patient, and forgiving, just as You are.

When we make mistakes, remind us to say sorry and try again. When others need help, give us the courage to be kind and generous. Help us to listen to Your Word and follow Your example.

During this special time of Lent, may our hearts be full of love, our words be gentle, and our actions show kindness to everyone we meet.

We ask this through Your holy name.

Amen

The HOPE Project

As part of the Jubilee Year Pilgrims of Hope, Father Tom has launched the HOPE Project and is looking to work with schools and parishes across the city to donate food and essential items to those in need in our communities during lent. The donated items will be divided into weekly hampers for distribution to identified families and people in the schools and parish.

Every Wednesday during Lent, children are requested to bring in one donated item from the list below. Donations will be picked up from schools and delivered to Christ the King Parish on Thursday afternoons. Parish volunteers will make up food hampers ready to be delivered on a Friday to those in need.

**Donations are to be in school every Wednesday until the end of the term.
Donations can be made to either school site.**

We would appreciate any of the following donations on a weekly basis, however we have divided the items between year groups in the hope of gaining a selection of donated products

Our Dancer of the Month award goes to Penelope Higgins. Unfortunately, one of our students was poorly and could not perform her duet on the Monday evening show. We are so proud of you!

Well done to Penelope for performing in a dance show last week. Penelope was also awarded dancer of the month for performing what should have been a duet as a solo at the last minute! Well done, we were very proud!

Message from the ECO Team

As you know, we're taking part in a special recycling art project in the summer term, and we need your help! Please send in any colourful Easter packaging you may have at home – such as chocolate boxes, foil egg wrappers, or anything shiny and decorative. These materials will be used to create a beautiful, collaborative art piece with the children.

There are two collections bins at both school sites, in the school welcome/ reception area.

Thank you so much for supporting creativity and recycling over Easter!

SAFEGUARDING AT CTK

What Parents & Educators Need to Know about BLUESKY SOCIAL APP

AGE RESTRICTION 13+
With an App Store rating of 17+ & Google Play rating Mature

While Bluesky has been around since 2019, it's suddenly taken off in a big way thanks to a significant exodus from X (formerly Twitter). Indeed, it looks and behaves a lot like Twitter before Elon Musk bought the platform. Bluesky has been touted in recent months as a safer, more open-minded alternative to X – but like any social media site, it still has its share of risks.

WHAT ARE THE RISKS?

NO PRIVATE ACCOUNTS
While most social networks allow accounts to be private, at the time of writing, all Bluesky accounts must be public. The development team has indicated this might change in the future, but the app is built on a public-first protocol. If private accounts are ever introduced, it may only be in a limited way – such as through the implementation of group chats.

INTERACTIONS WITH STRANGERS
Every account being public means that anyone can be contacted by anyone else. While users don't have to respond and can easily block people and move on, it does mean that youngsters are at particular risk of being conned by scammers, messaged by predatory adults or exposed to others with ill intentions. These hazards can be compounded by the fact that Bluesky doesn't require its users to provide their real name.

TROLLING AND BULLYING
While Bluesky currently feels a lot friendlier than X seems to have become, its lack of private accounts means that there's nothing to stop users from trolling and cyberbullying younger people. While accounts can be blocked and reported, a persistent bully could simply create a new profile, potentially making their victims feel unsafe in continuing to use the app.

DANGEROUS MISINFORMATION
Established news organisations have fact-checking and editing processes, but social networks have no such controls and can often serve as breeding grounds for misinformation and disinformation. Bluesky will possibly be no different once it reaches a certain size, and children may not have the critical thinking skills to tell fact from fiction – or to discern an informative, honest user from a malicious one.

ADULT TARGET AUDIENCE
Bluesky isn't designed with children in mind, and there aren't many parental controls on the platform. In an interview with the BBC, Bluesky's CEO originally said that the app would only allow users aged 18 and above to sign up, but a spokesperson later clarified its age restriction as 13+. This could imply the app was originally meant for an adult audience and suggests that making the platform more child-friendly might not currently be a priority.

RAPID GROWTH
At the time of writing, Bluesky seems calm in comparison with other social networks where moderation is lax and the atmosphere toxic – but that's due at least in part to its smaller community. The app has recently been adding as many as a million users per day, and if that continues, there'll be more unpleasant users to handle, and moderators could struggle to maintain the pleasant environment Bluesky is currently known for.

Advice for Parents & Educators

USE THE ADULT CONTENT FILTER
Bluesky doesn't have much in the way of parental controls, but there are content filters which can hide sexual and graphic imagery. These are enabled by default for underage accounts but can be manually turned on in the 'Moderation' section of the app's settings. The 'advanced' Bluesky Moderation Service lets you restrict content even further, hiding – for example – self-harm content, extremist rhetoric, and even rude posts.

LOOK OUT FOR FAKES
Impersonation is a problem on all social networks. While the consequences are usually benign, imposters sometimes attempt to scam or groom children by pretending to be a popular influencer or online personality. Bluesky is unique in that it can be connected to official domains, with users' handles linking to other sites; while this isn't widely used right now, it could be a reliable way to verify celebrities and public figures in future.

ENCOURAGE BLOCKING AND REPORTING
Another tool that Bluesky uses to ensure a decent experience is muting and blocking accounts. The former prevents you from seeing a specific user's content, while the latter stops them from seeing yours. If a child is encountering trolls or bullies on the platform, encourage them to use this function, while also reporting the offenders to help make the platform a nicer place for everyone.

KEEP AN OPEN DIALOGUE
As with all social media platforms, moderation and content filters can only do so much; it's highly likely that a child will eventually face something unsavoury. For that reason, it's important to make sure that young people are aware of the risks and know how to handle the technology if anything they see on the app makes them feel unsafe or uncomfortable.
