WEEKLY SCHOOL NEWSLETTER – Friday 20<sup>th</sup> June 2025

## NFL FINALS

This week, a group of our Year 6 children had the incredible opportunity to represent Christ the King and the West Midlands at the NFL UK Flag Football National Finals in Leeds. The team had a fantastic experience playing at such a large stadium, showing wonderful teamwork, resilience, and sporting spirit throughout the day.

We are so very proud of each and every one of them! A huge thank you to Mr Hadlum for his dedication and hard work in leading the team to the national finals for an impressive third year in a row!

Thanks also to the parents and Mr Willetts for their support on the day – your encouragement meant so much to the children.

A special thank you as well to our brilliant PTA who very kindly funded a pre-match team meal for the children the night before the big event. It made the experience even more memorable!

Well done, Team CTK – what an achievement!

## OUR MISSION THIS WEEK

### THE MISSION

THE MOST HOLY TRINITY

THE HOLY TRINITY IS A BEAUTIFUL MYSTERY AND THROUGHOUT HISTORY MANY PEOPLE HAVE TRIED TO SYMBOLISE IT. YOUR MARK 10 MISSION IS TO CREATE YOUR OWN PIECE OF ARTWORK SYMBOLISING THE TRINITY. YOU COULD USE SYMBOLS LIKE THE DOVE OR FIRE FOR THE HOLY SPIRIT. YOU ALSO COULD COMBINE WORDS OR CREATE SOMETHING LIKE THE TRINITY KNOT. WHEN YOU'VE FINISHED, PUT IT IN A SPECIAL PLACE AND USE IT IN YOUR PRAYER TIME. IT CAN HELP YOU REMEMBER THAT YOU ARE LOVED BY THE HOLY TRINITY, THE FATHER, SON AND HOLY SPIRIT.

## Happy Birthday to...

## The HOPE Project

### Summer Appeal

Following the wonderful success of the HOPE Project during Lent, it has become clear that many families in our community continue to need support. In preparation for the summer holidays, we are hoping to help even more families across the city by collecting donations of essential food and household items.

If you are able to support, we kindly ask that donations be brought into school each **Wednesday** from the list below.

All items will be collected and delivered to **Christ the King Parish**, where volunteers will prepare hampers to distribute to those in need.

Donations can be sent to either school site. As before, we'll be dividing suggested items between year groups to help gather a good selection of products.

**Thank you for your kindness, generosity, and ongoing support — it really does make a difference to families in our local community.**

Anthony (class 12) and Brentley (class 5) have been busy over the weekend litter picking near St Augustine's School. The boys worked hard over the weekend clearing two big bags and will continue to do this over the next few weeks. Well done Anthony and Brentley, we are very proud of you!

Oliver, Harry and Joshua (class 10) received their end of year football awards at the weekend. The boys play for Chapelfields Colts and had a great day celebrating. Well done boys, we are very proud of you!

On Tuesday, some Year 5 pupils had a fantastic day at the Holy Cross MAC Creative Writing Conference at Bishop Ullathorne Catholic School 'Belonging in our City.' Thanks to Mrs Hogan for supporting.

This week Year 1 had fun in the sun on Wednesday with an English lesson outside watching Miss Sidwell and Miss Lawlor test out ways to carry milk without it spilling. This coincides with the book they are reading called 'Don't spill the milk'.

A huge well done to all the children who took part in the athletics and rounders events on Wednesday. It was a fantastic, but busy, day of sport – especially with the sun shining! Every child who took part showed great skill, teamwork, and resilience throughout the day, and we are incredibly proud of you all.

A special thank you to Mr Hadlum, Miss Duffin, Mrs Newsome, and Mr Willetts for their support at the two events. Your time, encouragement, and enthusiasm helped make the day such a memorable experience for the children. Well done, everyone!

This week we recognised the importance of Refugee Week. Mrs McDonald and Miss Sidwell shared a reflective assembly which highlighted the importance of showing kindness to all. The children were also given lots of stories that help them to explore the different life experiences of others.

Check out our RE 'piece of the week' from each key stage!

## Safeguarding at CTK

Deputy Designated Safeguarding lead: Mrs S Horrocks (Assistant Headteacher) and Mrs T Hagyard (Learning Mentor)

**What Parents & Educators Need to Know about YOUTUBE KIDS**

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

**AGE RESTRICTION 4+**

**WHAT ARE THE RISKS?**

**INAPPROPRIATE CONTENT BYPASSING FILTERS**  
YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

**BE WARY OF ADVERTISING**  
Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays, while these adverts are designed to be family-friendly and are subject to a strict review process. It's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

**DESIGNED TO BE ADDICTIVE**  
YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

**SETTINGS CAN BE CIRCUMVENTED**  
YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

**AI-GENERATED MISINFORMATION**  
There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create 'misleading scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that risk scientific backing.

**DATA COLLECTION RISK**  
While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

**Advice for Parents & Educators**

**PARENTAL CONTROLS**  
YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'strictest' or 'youngest'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

**SET TIME LIMITS**  
The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a time that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

**CHECK WATCH HISTORY**  
YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

**WATCH TOGETHER**  
It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing learning sessions, where you sit together and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

YouTube Kids promises a safe, child-centric experience with colourful visuals, age-filtered content, and robust parental controls. Designed to appeal to younger viewers, the app has grown rapidly, being used by tens of millions of children worldwide.

But is it as safe as it seems?

Despite YouTube Kids' safeguards, reports have highlighted worrying issues, such as inappropriate content slipping through filters, subtle advertising, and the use of manipulative design to keep children engaged. This guide explores how to navigate these pitfalls, offering practical advice for making sure children get the most from the platform – without the risks.
