

PRAYER GARDEN DEVELOPMENT

We would like to say a heartfelt thank you to our wonderful PTA for funding the final developments of our Prayer Garden at the West Hill Road site. Over the last two weeks, local artist Claire the Art Lady has created a beautiful, bespoke mural for the children, with a focus on our parish churches – Christ the King and Our Lady of Lourdes. We are absolutely thrilled with the final results.

In addition to this, a special Wall of Remembrance mural has been painted, providing a meaningful space to remember those we have loved and lost within our school community.

We are now so close to completing the Prayer Garden and are really looking forward to seeing our children using this special, reflective space in the coming months.

Thank you once again to the PTA for their incredible support in bringing this vision to life

OUR MISSION THIS WEEK

THE MISSION

CORPUS CHRISTI

IN THIS WEEK'S VIDEO, WE HEARD HOW JESUS IS WITH US IN HIS BODY AND BLOOD AT EVERY MASS. YOUR MARK 10 MISSION IS A SIMPLE BUT POWERFUL ONE. THE NEXT TIME YOU ARE AT MASS, EITHER AT CHURCH OR SCHOOL, BE READY FOR THE MOMENT WHEN THE PRIEST HOLDS UP JESUS'S BODY. LIFT UP YOUR HEAD AND LOOK AT HIM. LOOK AT HIM AS CLOSELY AS YOU HAVE EVER LOOKED AT ANYTHING AND TELL YOUR HEART "THERE HE IS, THAT'S JESUS, HE'S HERE WITH ME."

This week the children celebrated the Solemnity of Corpus Christi. In this weeks Gospel, the children heard about the amazing moment when Jesus fed 5000 people with two loaves and five fish.

Happy Birthday to...

The HOPE Project

Summer Appeal

Following the wonderful success of the HOPE Project during Lent, it has become clear that many families in our community continue to need support. In preparation for the summer holidays, we are hoping to help even more families across the city by collecting donations of essential food and household items.

If you are able to support, we kindly ask that donations be brought into school each **Wednesday** from the list below.

All items will be collected and delivered to **Christ the King Parish**, where volunteers will prepare hampers to distribute to those in need.

Donations can be sent to either school site. As before, we'll be dividing suggested items between year groups to help gather a good selection of products.

Thank you for your kindness, generosity, and ongoing support — it really does make a difference to families in our local community.

CHRIST THE KING CATHOLIC PRIMARY SCHOOL

A huge well done and thank you to everyone who took part in the Children's Mile on Sunday. It was a fantastic community event, bringing together families from across the city to celebrate fitness, fun, and community spirit.

A special thank you to Mrs Cole and Mr Hadlum for organising our school's involvement and to all the families who came along to support – your encouragement and enthusiasm made the day even more special. Well done to all our runners, we're very proud of you!

This week, the children at the WHR site had a fantastic time working with Libby and her team from Art Lab to design and create a beautiful nature-inspired mural for the playground. Both children and staff thoroughly enjoyed getting creative and felt incredibly proud to contribute to a piece of artwork that will brighten up their outdoor space for everyone to enjoy. A big thank you to Mr Willetts for taking on the tricky job of installing the mural – it looks wonderful!

What Parents & Educators Need to Know about NINTENDO SWITCH 2

Nintendo launched its Switch 2 games console in early June 2025 – its first new console in eight years. While it builds on the original's success by remaining compatible with certain existing games, it also adds powerful hardware and new features like GameChat and a USB-C camera. As more children look to upgrade, it's important to understand how this new console might affect their play and safety.

WHAT ARE THE RISKS?

- EASIER TO ACCESS MATURE CONTENT** (18 CENSORED)

Despite Nintendo's reputation for family-friendly titles, mature games like Cyberpunk 2077 and Hitman have been released onto the platform. With the Switch 2's improved performance, developers will be able to port even more mature-rated games. These may appeal to children due to their popularity, but they contain content that is highly unsuitable for young audiences.
- GAMECHAT & REAL-TIME VOICE COMMUNICATION**

GameChat enables live chatting with up to 12 people, even across different games, with optional video and screen-sharing. Though children under 18 are restricted to chatting only with approved friends, the sheer interactivity could raise privacy concerns or create pressure to remain online longer.
- CAMERA COMPATIBILITY & PRIVACY CONCERNS**

The optional USB-C camera supports video calling and facial overlays in games; however, this also raises the risk of cyberbullying or the unwanted sharing of personal images. The camera can be disabled, removed or covered, and parental controls are essential to manage how and when it is used.
- POWERFUL PULL OF FAMILIAR CHARACTERS**

Nintendo's mascot, Mario – along with Pikachu, Donkey Kong and others – remains hugely appealing to younger audiences, especially after the success of the recent film, 'The Super Mario Bros. Movie' (2023). These beloved icons are central to Nintendo's branding and often feature in merchandising, adverts and in-game promotions, creating strong emotional attachments in children and a sense of urgency to keep up with their peers.
- IN-APP & GAME STORE PURCHASES**

The Nintendo eShop enables purchases with just a few taps. If payment details are saved and PIN protection is disabled, children may unknowingly make costly purchases – including game add-ons, cosmetic items or entire new releases – without parental approval.
- UNRESTRICTED ONLINE PLAY IN SOME GAMES**

While GameChat is one feature, Switch 2 also connects to the broader Nintendo Switch Online service. Many free-to-play titles like Fortnite or Splatoon 4 allow voice or text chat with strangers unless chat settings are adjusted, meaning children could encounter inappropriate language or unwanted contact.

Advice for Parents & Educators

- CHECK RATINGS & USE PARENTAL CONTROLS**

Every Switch and Switch 2 game comes with a PEGI age rating. Before buying one, ensure the content matches your child's age. Use the Nintendo Parental Controls app to monitor gameplay, set screen-time limits and manage friend requests.
- REVIEW FRIEND LISTS AND CHAT PERMISSIONS**

Child profiles are restricted to chatting with approved friends only, but it's good practice to regularly check their friend list and communication settings. Use the Parental Controls app to switch off voice or video chat if necessary.
- REMOVE OR RESTRICT PAYMENT METHODS**

Avoid accidental spending by unlinking credit cards from the device. Instead, consider adding funds via prepaid eShop cards or requiring a PIN for purchases. Some banking apps can also be set to approve transactions manually.
- ENCOURAGE OPEN CONVERSATIONS**

Teach children how to block, report and capture any behaviour or content that makes them uncomfortable. The console's built-in tools allow them to create screenshots and video clips, which can aid in reporting any issues. Keeping an open dialogue helps children feel supported and safe.

#WakeUpWednesday The National College

Nintendo's long-awaited Switch 2 has finally arrived, blending fresh hardware with fan-favourite franchises. From Mario to Pikachu, the familiar mascots are back – but so too are evolving online features, in-game purchases, and potential exposure to mature content.

As ever, it's essential that parents and educators understand the risks to young players. Among these are GameChat voice communication, camera-based gaming, and potential access to mature-rated titles. This guide outlines what to watch out for and how to keep children safe, engaged and having fun.
