We will be developing our fluency, pace and stamina.

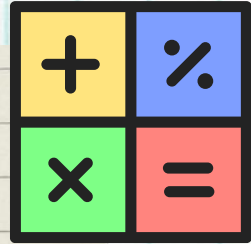

Reading takes place daily and whole class reading will also take place.

Maths

We will be looking at:

- Fractions
- Decimals and Percentages
- Measure – area and perimeter
- Graphs and tables

It is extremely important that all children know their times tables by heart and inverse division facts.

Science – Earth and Space

Describe the movement of the Earth and other planets relative to the Sun in the solar system.

Movement of the Moon relative to the Earth.

Describe the Earth, Sun and Moon as spherical bodies.

Use the idea of the Earth's rotation to explain day and night and the apparent movement of the Sun across the sky.

Religious Education

In RE this half term the focus will be:

- Christmas
- Baptism
- Parables and sayings of Jesus
- Lent
- Holy Week

It is also important that the children try and attend 9am Sunday Mass to sing in the choir.

History

What was life like in Tudor England?

- Justify their interpretation of Henry VIII using evidence from sources.
- Deductions about Henry VIII's wives.
- Identify primary and secondary sources, and begin to explore their reliability.
