WEEKLY SCHOOL NEWSLETTER – Friday 20th March 2026

WATER WEEK

This week, all children took part in a whole-school assembly led by WaterAid, where they learned about the importance of clean water and sanitation around the world.

Following the assembly, CTK's Sustainability Heroes enjoyed a fantastic workshop delivered by WaterAid volunteers Stuart and Geoff.

The children explored how water can be cleaned, how toilets in different parts of the world can be improved, and how communities without access to running water keep their hands clean using Tippy Taps.

It was an inspiring and informative experience for everyone involved!

Lenten Charity Dates

Year 3 – Year 6 pupils to lead their own stall.
Nursery – Reception children to bring in cakes

Our Lady of Fatima Thursday 26 th February £460 raised	Our Lady of Knock Thursday 12 th March £450 raised
Our Lady of Lourdes Thursday 19 th March £572.33 raised	Our Lady of Walsingham Thursday 26 th March

On Tuesday 24th March, students from Cardinal Newman Catholic Secondary School will be joining our Year 3-6 children for the 2026 Charity Roadshow.

They are bringing lots of fun games and activities to help raise money for Father Hudson's / Caritas.

Instead of paying for each game, we are asking children to bring a £2 donation on Monday 23rd March. This will allow them to enjoy all the games as many times as they like, with plenty of prizes and sweets included.

Thank you for your continued support in helping us raise funds for such an important cause!

A huge well done to all the children in Our Lady of Lourdes who took the lead during the third week of our Lenten Charities events.

Pupils in Years 3-6 hosted a fantastic selection of stalls, bringing plenty of excitement and energy to the morning. Thanks to their enthusiasm and effort, an impressive £572.33 was raised for charity. We would also like to extend our thanks to our wonderful EYFS and Key Stage 1 children for their generous cake donations, which helped make the day such a success.

To mark the Feast of St Patrick's Day, the whole school gathered for a special Mass. The readings and bidding prayers were delivered beautifully by the children in Year 2 and Year 5, making it a truly meaningful celebration for our school community.

Easter Raffle Tickets

We are delighted to share that our Easter Raffle tickets are now available, priced at 20p each and will be sold to children during the school day. Every child who participates will have the chance to win a chocolate Easter egg, generously donated by our wonderful staff.

We are delighted to introduce our **Weekly RE Showcase**, where each year group will share highlights of their Religious Education learning. From thoughtful reflections to creative work, we are incredibly proud of the children's **growing knowledge, understanding, and wonderful contributions**. Each week, we'll feature a different year group to celebrate their journey in faith and learning. Keep an eye out for inspiring displays of scripture, prayer, and how our pupils live out Gospel values in everyday life.

YEAR FIVE - OUR JOURNEY THROUGH LENT

Year 5 have recently been continuing their Religious Education lessons on the season of Lent. During this unit, the children have been learning about the concept of temptation by studying the temptations of Jesus. They have been thinking carefully about how people face choices in life and how giving in to temptation can affect our actions and relationships.

As part of their learning, the children have been reflecting on what nurtures and damages human relationships. They have explored important passages from the New Testament that teach Christians how to live good and loving lives. Through these texts, the children have been learning that Christ is the model and example Christians try to follow in their daily lives.

Year 5 have also been learning about the Sacrament of Reconciliation, understanding it as a Sacrament of Healing and a way of receiving God's forgiveness. They have discussed why Christians might want to seek forgiveness and how reconciliation can help repair relationships with both God and others.

The children will soon be moving on to Holy Week where they will gain a greater knowledge and understanding of the last week of Jesus' life and how the Church celebrates this week through liturgy and prayer.

What Parents & Educators Need to Know about ONLINE TRENDS ENCOURAGING VIOLENCE

7 out of 10 teens report seeing violent content on social media, with over half of that content featuring fights involving young people. Most don't 'seek' it but are shown it through social media feeds or messaging groups. 91% of young people involved in violence have seen violent social media content. Viral trends, challenges, or 'wars' that are spread online risk encouraging violence offline, while real-world incidents may also be recorded and promoted online.

WHAT ARE THE RISKS?

- ALGORITHMIC EXPOSURE**
Social media platforms are designed to keep users engaged, meaning dramatic or extreme content can spread widely and quickly. Algorithms often recommend content that reflects users' past interactions. As a result, young people may see more violent material if they have viewed, commented on, or shared it before. Repeated exposure can make violent content appear frequently in their feeds without them fully understanding why.
- WEAPONS AND CRIMINAL RISK**
Teens exposed to high levels of real-world violence on social media sometimes report feeling an increased need to carry a weapon for 'self-protection'; however, carrying a weapon increases the risk of victimisation (harm and injury by others) for young people. In addition, carrying a weapon is a serious offence that can lead to police arrest and a criminal record.
- SHARING VIOLENT CONTENT**
Encouraging or assisting an offence is a crime in the UK, including via social media, and can lead to arrest. This means sharing, forwarding, or reposting violent content carries a risk for young people too. Showing examples of content to a trusted adult is appropriate, but young people should take care not to further spread violent material by posting it online or sharing it within large messaging groups.
- FEAR, ANXIETY, AND MARGINALISATION**
Research shows young people's emotional wellbeing can be negatively impacted by repeated exposure to violent online content, especially when it depicts 'real-world' violence (as opposed to fictional depictions in games or films). Posts featuring weapons, threats, attacks, and fights – or content that appears to glorify gang activity – can increase feelings of anxiety or fear among young people. Material that encourages violence targeting people because of their identity, such as their nationality or religion, can also create disproportionate harm for children belonging to those groups.
- AVOIDANCE AND ISOLATION**
Real-world violence on social media can increase young people's belief that their local communities – or the 'outside world' more generally – are unsafe places. This can result in avoidant and isolating behaviours, which may negatively affect their wellbeing. As well as feeling fearful of others, teens also report feeling judged for spending time together in large groups, which may affect their social interactions and leisure time.

Advice for Parents & Educators

- STAY INFORMED**
Stay alert for updates from police, schools, or local authorities, and follow the advice provided. Be cautious about unofficial accounts, fake content, and misinformation, which can spread quickly online or in chat groups. Ensure you get accurate information from trusted sources and encourage young people to do the same. Remind them never to share violent content online and to speak to a trusted adult instead.
- DISCUSS SOCIAL MEDIA**
Encourage young people to talk about the content they see online and the effect it can have. This can be an opportunity to discuss topics such as misinformation, AI-generated material, the attention economy, and algorithms, helping them understand how and why extreme content can spread online. Explore tools available to block, report, and remove harmful content, and signpost where to get support and advice, such as reportthamfulcontent.com.
- TALK CRIME AND SAFETY**
In most of the UK, the age of criminal responsibility is 10 (12 in Scotland). This means there can be serious criminal consequences for carrying a weapon, taking part in violence, or filming or sharing violent content. Discuss the law with young people alongside practical safety strategies. Ask questions such as: "What could you do if you feel unsafe?" Work together on action plans and remind them they can contact a trusted adult or the police if they witness or experience violence.
- ENCOURAGE POSITIVE ACTION**
Focus on strengthening young people's positive experiences both online and within their local communities. Discuss strategies to reduce negative social media effects, such as time limits, unfollowing certain accounts, or taking breaks from apps. Encourage offline activities such as spending time with friends, visiting local places, and taking part in hobbies that bring them joy, purpose, and connection. Remind them they can seek support with any concerns at any time via childline.org.uk.

Violent clips, online 'wars', and shock-value challenges can spread rapidly across social media feeds - often appearing in front of young people who weren't actively looking for them. This guide explains how algorithms, messaging groups and viral trends can expose children to real-world violence online, sometimes normalising harmful behaviour or encouraging risky offline actions.

It also highlights the emotional, social and legal risks linked to engaging with violent content. From anxiety and community fear to the dangers of sharing or promoting violent posts, the guide offers practical advice for parents and educators on discussing online safety, understanding the law, and helping young people respond positively and responsibly.

Attendance - Reporting Absences

A polite reminder to all parents and carers: when informing the school of your child's absence, please include specific details of their symptoms if they are unwell. Messages such as "not well" or "feeling poorly" do not give us enough information to record the absence accurately.

Please ensure that all absences are reported before 9:00am by leaving a voicemail or emailing us at:

ctk_parentlink@hccmac.co.uk

Thank you for your cooperation in helping us keep our records clear and accurate.
