WEEKLY SCHOOL NEWSLETTER – Friday 27<sup>th</sup> March 2026

## WISHING YOU A HAPPY AND HOLY EASTER

As we come to the end of a busy and productive term, we would like to extend our heartfelt thanks to all our parents and carers for your continued support. It truly makes a difference, and we are grateful for the partnership we share in supporting the children.

We wish you all a happy and holy Easter, and hope you enjoy a restful break with your families.

We are already looking forward to the start of the summer term where we will be supporting pupils as they prepare for their transitions ahead of September.

Thank you once again for your support.

## THE MISSION

JESUS RAISES LAZARUS

HOLY WEEK BEGINS SOON. CREATE A HOLY WEEK POSTER. YOU CAN INCLUDE SOME OF THE SYMBOLS OF HOLY WEEK LIKE PALM BRANCHES, A CROSS AND EMPTY TOMB. YOU'LL ALSO NEED TO FIND OUT THE MASS TIMES FOR HOLY WEEK IN YOUR LOCAL PARISH. PUT THE DATES AND TIMES OF MASSES ON THE POSTER SO THAT EVERYONE WHO SEES IT CAN KNOW WHEN THINGS ARE HAPPENING. THIS IS A REAL MISSION, NOT JUST A NICE ACTIVITY. SOMEONE MAY SEE YOUR POSTER AND GO TO MASS BECAUSE OF IT. FROM THERE, THEIR LIVES COULD BE CHANGED FOREVER!

## JOURNEY THROUGH LENT

### Palm Sunday Family Mass - 9am

Fr Tom has kindly arranged for a special guest—Java the donkey—who will join at the beginning of Mass. The children will have the opportunity to take part in a procession with palms, accompanying Java into the church. Following last year's very popular visit, families will once again have the chance to feed the donkey after Mass. All are warmly invited to join us for this joyful celebration.

A huge well done to all the children in Our Lady of Walsingham who took the lead during the fourth and final week of our Lenten Charities events. Thanks to their enthusiasm and hard work, an impressive £388.89 was raised for charity. We would also like to extend our thanks to our wonderful EYFS and Key Stage 1 children for their generous cake donations, which helped make the day such a success.

### Lenten Charity Fundraising Updates

Our Lady of Fatima  
Thursday 26<sup>th</sup> February

Our Lady of Lourdes  
Thursday 19<sup>th</sup> March  
**£572.33 raised**

Our Lady of Walsingham  
Thursday 26<sup>th</sup> March  
**£388.89**

### Easter Cards

This week the children have been busy making and delivering Easter Cards to the community

We would like to say a huge thank you to the students from Cardinal Newman Catholic Secondary School for leading this year's Charity Roadshow on Tuesday. Children in Year 3-6 had a wonderful time taking part in the fun games and activities, all in support of Father Hudson's / Caritas. We are also incredibly grateful to all the children and families who supported the event by contributing their £2 donation. Your generosity helps us raise funds for such an important cause, and we truly appreciate your kindness.

As we come to the end of the Lenten season, we would like to thank everyone who contributed to our fundraising efforts over the past few weeks. Thanks to the kindness and community spirit shown across the whole school from supporting Lenten Charities, the Easter Egg Raffle and the Charity Roadshow, we have raised an amazing **£2085.28** for CAFOD and Caritas. Thank you for helping us live out the true meaning of Lent by supporting those in need.

## Exciting Visitor Coming to School – Monday 27th April

We are delighted to share that the PTA have organised a very special visitor for the children on Monday 27th April. Zactiv (who some of you may recognise as Steel from Gladiators) will be joining us in school!

To mark the occasion, children are invited to come dressed in their favourite active wear instead of school uniform.

There will be a charge of £1 per child for the morning's event. Please ensure donations are sent into school by Wednesday 15th April.

During the visit, every child will have the opportunity to:

Meet Zactiv

Join in an active workshop

Ask questions

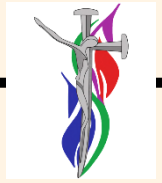

Take part in a class photo (with a signed copy to bring home)

Receive a bottle of water

Zactiv will also be talking to the children about the importance of keeping fit, active and leading a healthy lifestyle – a wonderful message for all our pupils.

We are really looking forward to this exciting day and hope the children thoroughly enjoy the experience!

Well done to these fabulous girls who gave a fantastic effort at the Coventry Primary Cross Country event on Tuesday! You were all amazing

## ECO REPORT - written by the Eco Heroes Team

Lately our Eco Team at CTK has been participating in all sorts of activities to spread awareness for our planet, such as having a water week to showcase people the amount of water we use everyday .

We have also recently installed a water filter to make our pond a better and cleaner environment for our fish .

We have also been working hard in our school garden and have planted seedlings such as tomatoes and cauliflower as well as planting flowers with Mrs Nicol.

TAs part of the school ECO team we wanted to plant flowers as an act of kindness towards the planet, hoping that a wonderful flower would grow into a big soul.

## ECO Joke of the week

Why did the Sun go to school?

To get brighter.

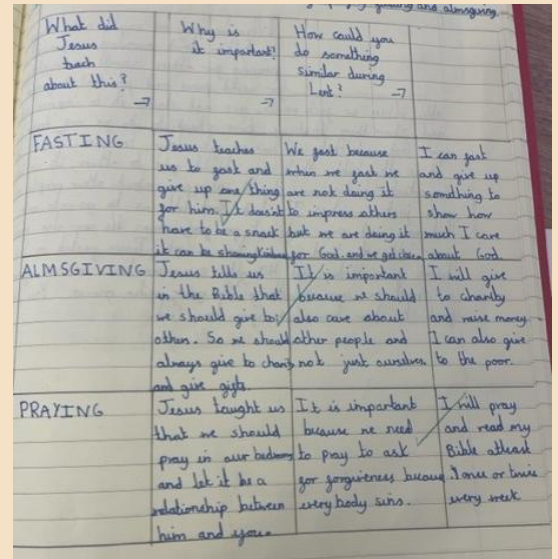

We are delighted to introduce our **Weekly RE Showcase**, where each year group will share highlights of their Religious Education learning. From thoughtful reflections to creative work, we are incredibly proud of the children's **growing knowledge, understanding, and wonderful contributions**. Each week, we'll feature a different year group to celebrate their journey in faith and learning. Keep an eye out for inspiring displays of scripture, prayer, and how our pupils live out Gospel values in everyday life.

### YEAR SIX - OUR JOURNEY THROUGH LENT

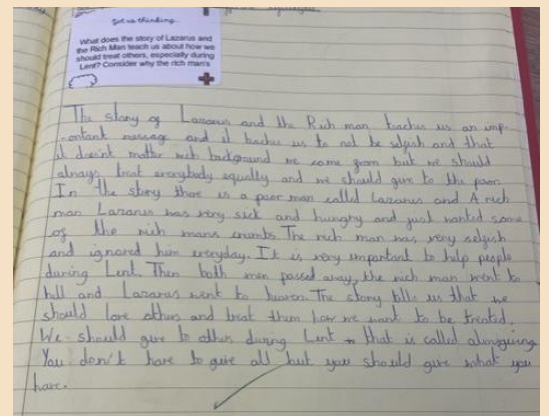

Over the last few weeks, Year 6 have been focusing on the importance of Lent. They have been paying particular attention to the three pillars of praying, fasting and almsgiving.

Whilst they understand the importance of giving during Lent, they have been learning how it is not always about money or value, but what you can give as person.

During the unit of Lent, they read the story of Lazarus and the rich man and related it to our understanding of how we should treat others, particularly during this season. Year 6 also produced some wonderful artwork of Jesus and the Samaritan woman, learning about how Jesus showed care and gave his love to someone, despite them being judged by others.

This week we have started our Holy Week unit, looking at Jesus' time in the Garden of Gethsemane and making connections between the Passover and the celebration of Mass.

## Maths at CTK!

Between the **1st April and the 30th April**, we invite students to join the Doodle Maths Spring Challenge.

### What Parents & Educators Need to Know about YOUTUBE

Almost anyone with an internet connection knows YouTube. The Google-owned site lets anyone upload videos to be shared around the world, and as a result, it's an incredible resource with instant free access to material covering every conceivable topic. But with over 500 hours of video uploaded every minute, not all of it will be appropriate for young eyes.

**WHAT ARE THE RISKS?**

**INAPPROPRIATE CONTENT**  
YouTube is free and can be accessed via numerous devices, even without creating a YouTube account. Some content is flagged as inappropriate, restricting the user to be logged into an account with a verified age of 18, but children can still view some mildly inappropriate content. This can include profanity and violence, which some young users may find upsetting.

**CONNECT WITH STRANGERS**  
YouTube recommends videos related to what the user has previously watched on their account, aiming to provide content that will interest them. This is intended to be helpful but it can also lead to binge-watching and screen addiction – especially if 'auto-play' is active. Users without an account are shown popular videos from the last 24 hours, which might not always be suitable for children.

**RADICALISATION**  
YouTube's algorithm tends to promote content that's getting the most traffic – a lot of which can be quite extreme. This can be fine for harmless topics, but YouTube isn't regulated like television, and that means that conspiracy theories, fake news and hateful ideologies can occasionally surface to warp impressionable minds all too easily. Remember – the more they watch, the more they'll be recommended.

**CONNECTING WITH STRANGERS**  
YouTube is a social media platform which allows people to interact with other (usually unknown) users. Account holders can leave comments on any video they have access to, as well as message other users directly. Connecting with strangers online can potentially lead to children being exposed to adult language, cyberbullying and – in the worst cases – online predators. If a child is creating content themselves, this can increase the likelihood of them becoming a target.

**TRENDS AND CHALLENGES**  
YouTube is teeming with trends and challenges, some of which are fun to watch and join in with. Children often find these immensely entertaining and might want to try them out. Most challenges tend to be safe, but many others may cause physical or emotional harm. Children who watch or copy them, the point of 'salt and ice challenge' – where people use these two ingredients to burn their skin – is just one of many examples.

**SNEAKY SCAMMERS**  
The comments sections of popular content creators regularly have scammers posing as that influencer, attempting to lure users into clicking on their phishing links. Scammers impersonate YouTubers by adopting their names and profile images, and often offer cash gifts or 'get rich quick' schemes. Children may not realise that these users aren't who they claim to be.

### Advice for Parents & Educators

**APPLY RESTRICTED MODE**  
For older children, Restricted Mode is an optional setting that prevents YouTube from showing inappropriate material (such as drug and alcohol abuse, graphic violence, and sexual content) to underage viewers. To prevent children from changing certain age-inappropriate content on their devices, you can also enable Restricted Mode on each device that they use to access YouTube. It's worth also turning the auto-play feature off, to prevent YouTube's algorithm automatically recommending something inappropriate.

**18 TRY GOOGLE FAMILY**  
Creating a Google Family account allows parents and carers to monitor what their child is watching, uploading, and sharing with other users. It will also display their recently watched videos, searches, and recommended videos. In general, a Google Family account gives a parent or carer oversight of how their child uses sites like YouTube and helps to ensure that they are only accessing appropriate content.

**MONITOR SPENDING**  
YouTube is the online viewing platform of choice for billions of people, many of them under 18. Younger children will watch different content to older ones, of course. You may want to keep an eye on how children interact with this material – and if applicable, with content creators – to understand what they're interested in. Remember that creators often share content outside of YouTube, so don't ignore their web presence elsewhere!

**CONSIDER YOUTUBE KIDS**  
It's possible to sidestep most inappropriate content completely via Google's own YouTube Kids app for Android handsets and iPhone. This lets you filter content by 'preschool' (4 and under), 'youngster' (ages 5 to 8) and 'older' (ages 9 to 12). This isn't a perfect substitute for parental supervision, as the app's filtering system is automated, and Google can't manually review all videos.

**CHECK PRIVACY SETTINGS**  
YouTube gives users the option of uploading videos as 'private' or 'unlisted' – so they could be shared exclusively with family and friends, for example. Comments on videos can also be disabled and channels that a child is subscribed to can be hidden. If the child is only uploading videos set as 'private', they are far less likely to receive direct messages from strangers.

**LIMIT SPENDING**  
Although YouTube is free, it does offer some in-app purchases. For example, users can rent and buy TV shows and movies to watch. If you'd like to avoid children purchasing content online, limit their access to online payment methods. Many parents have discovered the hard way that a child happily consuming a paid-for series quickly leads to an unexpected bill!

**Meet Our Expert**  
Alan Martin is an experienced technology journalist who has written for the likes of Wired, TechRadar, Tom's Guide, The Evening Standard and The New Statesman.

**Wake Up Wednesday**  
The National College

YouTube is a video-sharing social media platform that allows billions of people around the world to watch, share and upload their own videos with a vast range of content – including sport, entertainment, education and lots more. It's a superb space for people to consume content that they're interested in. As a result, this astronomically popular platform has had a huge social impact: influencing online culture on a global scale and creating new celebrities.

In this guide, you'll find tips on avoiding potential risks such as connecting with strangers, inappropriate content and high visibility.

## Attendance – Reporting Absences

A polite reminder to all parents and carers: when informing the school of your child's absence, please include specific details of their symptoms if they are unwell. Messages such as "not well" or "feeling poorly" do not give us enough information to record the absence accurately.

Please ensure that all absences are reported before 9:00am by leaving a voicemail or emailing us at:

[ctk\\_parentlink@hccmac.co.uk](mailto:ctk_parentlink@hccmac.co.uk)

Thank you for your cooperation in helping us keep our records clear and accurate.

### Children arriving late to school

Please be advised that if your child is late to school at WHR or SL site, children must be signed in by a parent/carer. Children are not permitted to sign themselves in for safeguarding reasons. Thank you for your understanding.

### Reporting your child's absence

Please can parents/carers remember to call the school on 02476 335790 **before 9am** if your child is going to be absent and leave a message. You can also e-mail [ctk\\_parentlink@hccmac.co.uk](mailto:ctk_parentlink@hccmac.co.uk) to report an absence. **Reasons such as 'unwell' or 'poorly' are not valid, please explain the symptoms of your child's illness and the reason they cannot attend school.**

**Ongoing attendance percentage** At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school for 95% or more of the time in line with the DfE expectations.
