

Christ the King Primary School

Summer Term Two in Year 1

English

We are looking at description, writing a letter and acrostic poetry.

We will be focusing on:

- Phonics- differentiated groups
- Classic story- *Where The Wild Things Are* by Maurice Sendak.
- Contemporary Fiction- *Don't spill the Milk* by Stephen Davies
- Setting descriptions
- Speaking and listening
- Reading comprehension
- Anima Phonics Scheme

We are reading

We will be developing our fluency, pace and stamina.

We hear the children read as regularly as we can in Year 1.

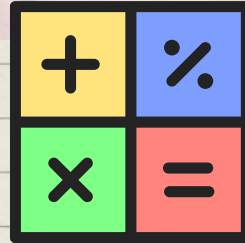

Please help us by hearing them read each evening at home.

Maths

We will be looking at:

- Counting in 2s, 5s, and 10s.
- Multiplication/Division
- Adding equal groups
- Fractions (Finding $\frac{1}{2}$ and $\frac{1}{4}$)
- Measure – Length and Time.
- Measure – Mass and Capacity

Please access *Doodle Maths* at home!

Science

Our topic this term is Materials.

We will be:

- Identifying different types of materials.
- Exploring the properties of Materials.
- Understanding the use of different materials.

Religious Education

In Religious Education, we will be learning about Pentecost. We will also be developing our understanding of Hinduism. We will be learning about Jesus' life and how we can follow Jesus' teachings today. The children will take part in collective worship in school and church.

History

Our topic for History is How was School different in the past? We will be identifying the similarities and differences between schools today and 100 years ago.

Geography

In Geography, the children will be learning about what it is like to live in Shanghai. We will explore the physical and human features of Shanghai and compare them to Coventry.

Design and Technology

.Constructing a windmill – This term we will be exploring what a windmill is and creating our own windmill structures.

P.E

We will be following the Get Set 4 PE Scheme to develop our learning of athletics..

Music

Children will be following the Charanga scheme of work along with weekly hymn practices.

Computing

We will be learning to create media through digital writing.
