WEEKLY SCHOOL NEWSLETTER – Friday 19th June 2026

COUNDON LIBRARY

Year 1 had a wonderful visit to our local library this week. The children enjoyed exploring the different sections of the library, looking at a variety of books, and learning about the many resources available to them.

They were enthusiastic and engaged throughout the visit and were a credit to the school.

Next week, we are delighted to welcome the librarians into school to talk to the children about the Coventry Libraries Summer Reading Challenge.

The librarians will share information about how the challenge works and encourage the children to continue enjoying books and reading over the summer holidays.

We look forward to hearing all about the exciting themes and activities planned for this year's challenge

Top Tips for Adopting SAFE & HEALTHY ONLINE HABITS

Everyone has so much going on in their lives, and that includes children: from exams and deadlines to anxiety and mental health struggles. It's quite easy to send memes, make jokes, and vent online about the things that irritate us, but when was the last time you – or your child – took a moment to share something kind or positive instead? In fact, when did you last stop and think about your family's online activities? To help keep them safe and teach them healthy online habits, we need to develop our children's digital resilience. There are lots of ways that children can become more digitally resilient, and we've pulled together some popular strategies here...

WHAT IS DIGITAL RESILIENCE?

Resilience doesn't mean being so tough that nothing gets to you, and it's not about "putting up with things" either. Instead, it's the ability to recover from setbacks. Everyone feels sad, worried, scared or upset at times: it's how we respond and adapt to those situations which is important. Digital resilience is about making choices that keep us safe and happy online, even when we're exposed to something negative or upsetting. Building your child's digital resilience will help reduce the impact of potential risks as they engage with and navigate around the online world.

REACH OUT FOR SUPPORT

- If you have a problem online, don't be afraid to reach out to specialist people or organisations that could help.
- Follow people on socials who have the same values and morals as you.
- You could always talk to a friend, or a trusted adult like a teacher or family member for some advice.

PUT SAFETY FIRST

- If you see something online that upsets or worries you, tell a trusted adult about it as soon as possible.
- You could also report the content that's making you feel uncomfortable to the site or app that you saw it on, so they can look into it.
- Another option is to block the person or the account that's causing you a problem – or you could go one step further by totally deleting the app you were using.

GET THINGS CLEAR IN YOUR HEAD

- Ask yourself what kindness online actually looks like. Can you remember the last time someone was kind or supportive towards you online? What did they do?
- Think about how it makes you feel when someone sends you a positive or funny message online.
- What about the opposite: has someone ever been deliberately unkind to you online? What did they do and how did it make you feel?
- If someone's behaviour online is causing you stress, try to remind yourself of all the steps you can take if a person's being unkind online.

MAKE POSITIVE LIFESTYLE CHOICES

- Make time for the people and things that make you happy.
- Monitor your screen time and stick to your limits.
- On social media, follow people that make you feel good about yourself – and unfollow the ones who don't.
- Spread some positivity: post good reviews, leave encouraging comments and share good news.

KEEP YOUR HEALTH IN MIND

- Try to factor in regular breaks offline and away from your screen – ideally, outdoors for some revitalising fresh air.
- Exercise is a brilliant stress-buster: even a walk around the block, a bike ride or a stroll to your local shop can really work wonders.
- Be strict with yourself about putting devices away in plenty of time before bed: they can interfere with a good night's sleep, which is essential for staying healthy.

NOS National Online Safety #WakeUpWednesday

In our area of specialism, we at National Online Safety are acutely aware that – for children and young people in particular – many of those difficult moments increasingly originate from and unfold in the digital world.

From inappropriate content to the toxic behaviour of others, online harms can do long-lasting damage. That's why we're passionate about helping this new generation to build their digital resilience – equipping them to deal with digital dangers. This #WakeUpWednesday guide has a selection of tips for encouraging safe and healthy online habits.

In this guide, we've compiled a list of useful suggestions which could help you and your family strike the right balance and build digital resilience.

Attendance – Reporting Absences

A polite reminder to all parents and carers: when informing the school of your child's absence, please include specific details of their symptoms if they are unwell. Messages such as "not well" or "feeling poorly" do not give us enough information to record the absence accurately.

Please ensure that all absences are reported before 9:00am by leaving a voicemail or emailing us at:

ctk_parentlink@hccmac.co.uk

Thank you for your cooperation in helping us keep our records clear and accurate.

Children arriving late to school

Please be advised that if your child is late to school at WHR or SL site, children must be signed in by a parent/carer. Children are not permitted to sign themselves in for safeguarding reasons. Thank you for your understanding.

Reporting your child's absence

Please can parents/carers remember to call the school on 02476 335790 **before 9am** if your child is going to be absent and leave a message. You can also e-mail ctk_parentlink@hccmac.co.uk to report an absence. **Reasons such as 'unwell' or 'poorly' are not valid, please explain the symptoms of your child's illness and the reason they cannot attend school.**

Ongoing attendance percentage At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school for 95% or more of the time in line with the DfE expectations.
