WEEKLY SCHOOL NEWSLETTER – Friday 26th June 2026

SCIENCE WEEK

The children have had a wonderful time this week, enjoying a wide range of exciting science experiments and investigations. It has been fantastic to see their enthusiasm, curiosity and creativity as they explored different scientific concepts.

A huge thank you to all the children who brought in their experiments to share with their class, and to the parents who emailed in details of their experiments at home and sent in photos or videos. Your support helped make the week a great success.

We would also like to extend our thanks to the PTA for generously funding our storytelling sessions this week. The children thoroughly enjoyed listening to stories and tales from different cultures around the world, which sparked their imaginations and helped them learn about diverse traditions and experiences.

Parents' Guide to Sun Safety

A Guide for Parents

As summer approaches, we all look forward to more time spent outside. Many people are also anticipating a holiday to warmer climes. Being outside in the sunshine is beneficial to our wellbeing, but it is important to remember – and to teach our children, that overexposure to the sun can cause long-lasting damage to the skin, increasing the risk of premature ageing and skin cancer. Here is a useful reminder of the things that parents and children need to think about to protect themselves from the damaging effects of the sun, so that everyone can safely enjoy time outside.

Wear a shirt

Cover exposed skin as much as possible by wearing a lightweight cotton T-shirt.

Use

sunscreen

Children should wear a minimum of factor 30 sunscreen. Reapply regularly (especially after swimming).

Wear a hat

Protect the head, ears, neck and face with a wide-brimmed or 'legionnaire'-style hat

Wear shades

Sun exposure can damage the eyes. Protect them by wearing sunglasses with UV-protective lenses

Stay in the shade

The sun is at its strongest between the hours of 11am and 4pm. Try to stay in the shade as much as possible, during these hours.

The most important thing you can do is make time to listen to your child. Switch off the TV, radio and mobile phones and really listen to them!

Attendance – Reporting Absences

A polite reminder to all parents and carers: when informing the school of your child's absence, please include specific details of their symptoms if they are unwell. Messages such as "not well" or "feeling poorly" do not give us enough information to record the absence accurately.

Please ensure that all absences are reported before 9:00am by leaving a voicemail or emailing us at:

ctk_parentlink@hccmac.co.uk

Thank you for your cooperation in helping us keep our records clear and accurate.

Reporting your child's absence

Please can parents/carers remember to call the school on 02476 335790 **before 9am** if your child is going to be absent and leave a message. You can also e-mail ctk_parentlink@hccmac.co.uk to report an absence. **Reasons such as 'unwell' or 'poorly' are not valid, please explain the symptoms of your child's illness and the reason they cannot attend school.**

Ongoing attendance percentage At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school for 95% or more of the time in line with the DfE expectations.
