We are reading

We will be developing our fluency, pace and stamina.

Reading in some form will take place daily in the classroom.

Maths

We will be looking at:

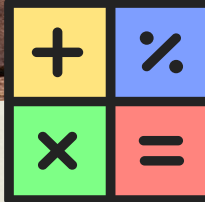

- Place Value up to 4-digit numbers
- Addition and Subtraction

It is extremely important that all children know their times tables by heart.

Science - 'All Living Things'

We will:

- recognise that living things can be grouped in a variety of ways.
- use classification keys to help group, identify and name a variety of living things in their local and wider environment.
- recognise that environments can change and that this can sometimes pose dangers to living things.

Religious Education

Creation and the Story of Abraham and Joseph – We will hear and learn about some important stories from the Book of Genesis, explore some important images of God found in these stories, and consider what it means for human beings to be made in the image and likeness of God.

History

Our History is a special day on the Norman Conquest followed by a topic after half term.

Geography

In Geography, our topic is called 'Rainforest' Children will be learning about biomes

Art

Children will be focusing on the topic Fruit and Vegetables. Children will use pencils, paints and fabric to create different fruits and vegetables.

Christ the King Primary School

Autumn Two in Year 4

English

Our topics include:

- The Present Video Story.
- Playscripts linking to Bible stories
- Information texts linked to broad curriculum subjects

We will be developing our fluency, pace and stamina.

Reading in some form will take place daily in the classroom.

Maths

We will be looking at:

- Units of measure including Perimeter
- Multiplication and Division

It is extremely important that all children know their times tables by heart.

Science - 'Animals including humans'

We will:

- describe the simple functions of the basic parts of the digestive system in humans
- identify the different types of teeth in humans and their simple functions
- construct and interpret a variety of food chains, identifying producers, predators and prey.

Religious Education

Advent - Children will learn about the ancestors of Jesus and that he was descended from the House of David. Through this work the children will be able to place the story of the first coming of Jesus into an historical context.

Christmas - Children will study the role of angels in the story of Christmas, learn about Christians being messengers of Christ's Good News in the world today and how the Church celebrates the Feast of Christmas..

History

Our topic for History will continue to be Ancient Egyptians, focusing on important people during this time..
