Termly Learning

Christ the King Primary School

Autumn Term One in Year 5

English

We will start with a whole school Grammar and Punctuation Focus - Place Value of Punctuation.

We are then looking at descriptions, non-chronological reports, informal letters and newspaper reports.

We will be focusing on:

- description language
- features of text
- cohesion across paragraphs – adverbials
- direct/indirect speech
- informal language

We are reading

We will be developing our fluency, pace and stamina.

Reading takes place daily and whole class reading will also take place.

Maths

We will be looking at:

- Place value up to 1,000,000
- Addition and subtraction using column method
- Multiplication and division – short and long methods.

• Fractions
It is extremely important that all children know their times tables by heart.

Science

Forces:

- Gravity and Sir Issac Newton
- Water resistance
- Air Resistance, including making parachutes
- Friction
- Forces in Action
- Gears, cogs, levers and pulleys.

School Expectations

- Children are to bring in their own pencil case including pencil, crayons, felt tips and a glue stick

- Water bottles are to be brought into school each day and at Scots Lane site a healthy snack such as fresh fruit must be provided by parents for morning break.

- Collection at home time- please ensure you have completed an up to date collection form and returned it to school asap. Please add all the names of the adults that can collect your child. This is for collection only and not emergency contacts.

Homework at Ctk

At CTK we believe that regular homework is important as it gives children the opportunity to practice at home the tasks covered in class and also helps children work towards improving important skills.

Research shows that homework also benefits factual knowledge, self-discipline, attitudes to learning and problem-solving skills.

Reading

From Nursery we encourage all parents to read to their child because when children are exposed to a wide range of words it helps them to build their own vocabulary and improve their understanding as they listen.

In Reception children will receive a weekly reading book linked to their phonics knowledge and the sounds which they are taught each week. As the children move into Year 1 and Year 2, children will be given a reading book based on their phonic and word knowledge.

In Year 3 – 6 children are supported to independently choose their own weekly reading book from the KS2 Reading Scheme which is organised and sequenced by end of year expectations. We ask that parents hear their child read at least four times a week and sign their child's reading diary each time

Spellings

Spelling, along with vocabulary and phonics, is a vital skill that supports your child's reading fluency and overall comprehension

- Children are set weekly spellings.
- Year 1 & 2 pupils weekly spellings are set in accordance with their phonic knowledge and weekly phonic lessons and they can access support via spelling shed.
- Year 3 – Year 6 pupils weekly spellings are set according to individual ability and National Curriculum expectations using the programme Spelling Shed. These spellings also link to the children's weekly spelling lesson.
- Your child's log in for spelling shed will be sent home with them

POWER MATHS

Maths

Reception – Year 6

Weekly Homework is set on Doodle Maths.

We encourage children to complete their Doodle Maths tasks for at least 10 minutes every day, 5 days a week in Reception – Year 2. *On average, a question should take 17 seconds to answer.

For children in Year 3 – Year 6 we encourage children to complete their Doodle Maths tasks for at least 15 – 20 minutes every day, 5 days a week.

Your child's log in for Doodle Maths will be sent home with them

Year 6

Throughout the school year, children in Year 6 will be issued with practice SATs papers or exam-style questions to complete as part of their homework, helping them to build confidence and familiarity with the test format.

ARITHMETIC & FLUENCY

Mathematical fluency skills helps pupils to think faster and more clearly, giving them the energy, attention and focus to tackle complex problem-solving and reasoning questions.

In KS2 children have access to TT Rockstars where they can practice and apply their Times Table knowledge.

Children in Year 2 – 6 are also encouraged to complete their 10 minute weekly arithmetic practice in the work book provided.

*Year 6 – homework set is inline with end of key stage 2 expectations and support in preparation for end of KS 2 statutory testing.

- Reply during evenings, weekends, or holidays.
- Engage in long back-and-forths over email—especially for issues that are better handled in person or by phone.

E-Safety: The National College

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children. We are therefore delighted to announce that Christ the King Catholic Primary School have shown our commitment to protecting our pupils online by working with National Online Safety, which provides resources for parents and carers.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics.

Create your account, please follow <https://nationalcollege.com/enrol/christ-the-king-catholic-primary-school-7> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device - including via a smartphone app..

Termly Assessments

Year 1 – Year 6

At the end of each term, all children will complete a summative assessment in **Reading, English grammar, punctuation and spelling (GPS) and Maths** which is in line with their current curriculum of study, for example a year 2 child who is being taught the year 2 curriculum would be asked to answer questions based on that curriculum.

The summative assessment supports the evaluation of how well children are learning and retaining the information taught. This highlights any misconceptions and gaps that enables teachers to plan the correct support and intervention for the class or individual pupils.

The results of the termly tests, are an indicator, to both teachers and parents, of which areas each child excels in and which areas they require further support in. The results will always be shared with parents in the child's termly progress report.

Termly Reports

Termly reports regarding your child's progress and attainment will be sent home towards the end of each half term.

You will also have the opportunity to speak to your child's class teacher during each term in a planned parent consultation meeting - more information will be shared during the half term.

If you have any questions regarding your child's SEND support or provision, please email via parent link your child's class teacher or the school's SENCo Mrs Horrocks.

Christ the King Parish

We are proud to have strong links with our parish; the children attend mass regularly with school.

Father Tom and members of the clergy often pop in to see the children.

We invite children in EYFS and KS1 to attend Children's Liturgy at the weekend and our older children read and sing in the choir.

YOUR
SCHOOL
LOTTERY

We have successfully raised a lot of money over the school years with support from parents and staff, but we are continuing to seek more enthusiastic parents to support the school.

If you are interested in becoming involved, please contact the school via parent link to express your interest or on their Twitter page [@CTKPTACov](#)

Year 5 - Alton Castle

Through a unique blend of outdoor adventurous activities and inspiring retreat experiences, Alton Castle promotes personal, social and spiritual development for pupils.

The enthusiastic team enable young people to encounter Christ through creation, challenging activities and community.

This year, the children will be visiting:
