YEAR 6 TRANSITION TO ST JOHN HENRY NEWMAN

This week, Year 6 pupils enjoyed an exciting afternoon at the new Sir John Henry Newman School site. The visit provided the children with a valuable opportunity to experience a taste of secondary school life, explore the fantastic new facilities on offer, and begin to develop confidence about their next stage of education.

Throughout the afternoon, pupils took part in a range of fun transition activities, worked alongside staff and students, and gained a greater understanding of what to expect when they move on to secondary school. The children represented Christ the King brilliantly and thoroughly enjoyed the experience. We would like to thank the staff at Sir John Henry Newman School for hosting such a welcoming and enjoyable visit.!

Maths Homework - Please Support Us!

Help your child complete their maths homework independently, please!

Your support makes a real difference!

We use the information from both **TTRS** and **DoodleMaths** as an important teaching tool. The scores, progress and responses help us identify what your child knows and where they may need more support in school.

Why is independent completion important?

- ✓ With TTRS, we use the scores and accuracy to identify which multiplication facts need more practice.
- ✓ With Doodle Maths, the programme adapts the level of work based on your child's answers. If answers are consistently correct with significant help, it can move them on to harder work than is right for their current level.

A little help is ok...

We know that children sometimes need a little support, and helping them to access the platform or encouraging them is absolutely fine.

Encourage...
Reassure...
Motivate...

But please let them do the actual questions themselves...

If another person provides the answers, it gives us an inaccurate picture of what your child can recall independently.

This can affect the support we provide in school.

Mistakes are helpful!

Try again!

When children get things wrong, it helps us understand exactly what they need to learn next. Please let your child have a go, even if they make mistakes.

Thank you!

Your continued support helps us get the most accurate and useful information from TTRS and Doodle Maths.

Together we can help them succeed!

Thank you for your support!

10 MINUTES READING A DAY

At Christ the King, we believe that reading is a superpower!

We ask all families to read with their child for at least

10 minutes a day, at least 4 times a week.

The Impact of 10 Minutes a Day

Feel calm and relaxed

Reading helps your child unwind and boosts their mood.

Improves memory, focus and concentration

Regular reading strengthens the brain and helps your child pay attention for longer.

Builds confidence and self-esteem

Children who read regularly feel more capable, express themselves better and believe in their abilities.

Develops vocabulary

Expands their word bank and helps them understand and express themselves more effectively.

Teaches empathy

Reading helps children understand different people, places and situations, and see the world from other perspectives.

Improves academic progress

Better reading skills lead to stronger performance across all subjects.

Reading at home is the **SINGLE BIGGEST PREDICTOR** of a child's future life chances.

Thank you for supporting your child's reading journey. Together we can make a difference!

Dear Parents/Carers,

PRAYER SERVICES AND FAMILY FAITH DAYS

Following the positive feedback, we are delighted to be able to continue offering Family Faith Days and Class Prayer Services this year.

Prayer Services: Each class will prepare and lead a prayer service which parents/carers will be invited to. These will be held in classrooms for an intimate window into prayer and liturgy at Christ the King Catholic Primary School. Prayer Services will begin at 9:00 and will last between 20-30 minutes. We ask that only one parent/carer attends per child due to space restraints in our classrooms.

Family Faith Days: Each year group will gather together in the school hall, where parents/carers will be invited to learn alongside their children. Each year group will spend a short time learning a little bit of information around a certain area of our faith or liturgical season, they will then work with their parents/carers to complete a craft activity linked to the learning. Family Faith Days will begin at 9:00am and finish at approximately 10am. We ask that only one parent/carer attends per child. We can't wait to share these fantastic experiences with you all!

YEAR GROUP FAMILY MASSES AT CTK

Dear Parents and Carers,

We are delighted to share that this academic year with support from Father Tom, we are continuing Year Group Masses as part of our commitment to deepening the Catholic life of our school and parish community.

These Masses are a special opportunity for children and their families to come together in worship, play an active role in the spiritual life of the school, and strengthen their connection with our parish. As you have chosen for your child to be a part of the CTK community, we warmly invite and encourage you to attend these Masses with your child, as your presence and participation as a family are a valued part of your child's faith journey.

For children in Year 3 and Year 6, their Year Group Masses are linked to their Sacramental Preparation.

Please find below the schedule of Year Group Masses which will all take place at
Christ the King Church at 9am Mass.

We truly appreciate your support in helping your child attend and participate in these Masses. Together, we can continue to nurture a strong, faith-filled community here at Christ the King.

MATHS PUZZLE OF THE WEEK

What can you put between a 7 and an 8 so that the result is GREATER THAN 7, but LESS THAN 8?

Answer from last week =
 $0 + 4 = 4$ or $5 + 4 = 9$

$6 + 4 = 4$
How can you make the equation true by moving ONLY ONE matchstick?

Bonfire Night

Stay Safe, Have Fun! ♥

Bonfire Night can be a wonderful and exciting time for families. To help everyone stay safe, here are some important reminders for parents, carers and children. ♥

BONFIRES

- ✓ Keep children at a safe distance from bonfires. ★
- ✓ Never let children go near a bonfire unattended.
- ✓ Never create a bonfire or start a fire in a public space, against a building or next to vehicles.
- ✓ Follow any instructions from event organisers. ★
- ✓ Call **999** if you see any fires in public spaces or public bins.

FIREWORKS

- ✓ Attend a public firework display where possible rather than using fireworks at home.
- ✓ Never allow children to handle fireworks and always supervise them.
- ✓ Never point or throw fireworks at people, animals, buildings or vehicles. It is dangerous and can lead to prosecution.
- ✓ Keep fireworks in a closed box and out of reach of children.
- ✓ After a display, check the area for any unlit fireworks – do not touch them.

SPARKLERS

SUPERVISION AT ALL TIMES

- ✓ Wear gloves.
- ✓ Hold sparklers at arm's length.
- ✓ Use one sparkler at a time.
- ✓ Never wave sparklers near another person.
- ✓ Sparklers can be very hot – they burn at around 1,000°C (5 times hotter than a pan of boiling water!).
- ✓ Put finished sparklers straight into a bucket of water – don't throw them on the ground. ★

Top Safety Tips from West Midlands Police

- ✓ Attend a public display rather than using fireworks at home. 👤
- ✓ Be seen in the dark – wear reflective clothing, high-vis or carry a torch or glow stick. 🚚
- ✓ Agree a meeting point with your children before you go – in case you get separated. 👤
- ✓ Talk to your child about staying safe, personal safety and stranger danger. 💬

Watch together!

West Midlands Police have created a short video to help you and your child talk about staying safe around fireworks and in the darker nights.

[watch here](#)

Ask your child...

Before Bonfire Night, have a conversation with your child about their plans:

- Where are you going?
- Who will you be with?
- How will you get there and home safely?
- Will you be at a public display?
- What will you do if you get separated?

Reporting concerns or antisocial behaviour

In an emergency (dangerous behaviour, fires or misuse of fireworks): **999**

Non-emergency incidents: **101**
or report online (search 'WMP report')

Report 100% anonymously to Crimestoppers: **0800 555 111**

Let's all enjoy a safe and happy Bonfire Night! ♥

Attendance – Reporting Absences

A polite reminder to all parents and carers: when informing the school of your child's absence, please include specific details of their symptoms if they are unwell. Messages such as "not well" or "feeling poorly" do not give us enough information to record the absence accurately.

Please ensure that all absences are reported before 9:00am by leaving a voicemail or emailing us at:
