Please do not keep siblings at home if one of your children are ill. Contact school to seek advice.

It is a legal requirement that all children from the age of five are to attend full time education regularly.

Encourage your child to attend school on their birthday. We will enjoy celebrating their special day with them.

Always encourage your child to attend and participate in all areas of school life.

Please contact school if your child is going to be absent, has a medical appointment or is going to arrive late. All pupils that arrive late must report to the main office.

Ensure that your child attends school regularly so that they can achieve their full potential.

Please avoid booking holidays in school time. Every minute of their education counts.

Please contact school if you have any concerns. Keeping communication open is essential to enable your child to enjoy their time at school.
