GREAT ORMOND STREET HOSPITAL - 5K RUN

During the week beginning 3rd October Christ the King School are taking part in the Virtual RBC Race for the Kids to raise money for the seriously ill children at Great Ormond Street Hospital (GOSH). Around 600 seriously ill children arrive at GOSH from across the UK every day and all the funds you raise will make a huge difference to the children and families at GOSH. The money raised from Virtual RBC Race for the Kids 2022 will help to fund state-of-the-art medical technology; pioneering research programmes into treatments and cures for rare conditions; patient, family and staff support services; and the creation of new child-focused environments that help children feel safe and calm during their appointments, treatments and recovery.

We would really appreciate it if you could ask your friends and family to sponsor by following this link: [Christ The King School Coventry is fundraising for Great Ormond Street Hospital Children's Charity \(justgiving.com\)](https://www.justgiving.com/ChristTheKingSchoolCoventry)

Can you help us to reach our target of £1000?

Why is it so important for children to be vaccinated?

- Flu is **highly infectious**
- Flu is an important cause of illness in children which can often result in **GP consultations**, and on rarer occasions **more severe outcomes**
- The virus can **live on hands** and hard surfaces for up to **24 hours** so is easy for children to spread
