WEEKLY SCHOOL NEWSLETTER – Friday 17 March 2023

WHR LIBRARY UPDATES

This week saw the final touches being made to the children's library at West hill Road. It has taken a little longer than we first thought, but it has definitely been worth the wait!

We can't wait to move all of the furniture and books back and then finally allow the children to enjoy their weekly Library sessions!

Here is a little sneak peek!

During the parent evening appointments at WHR , you are more than welcome to visit the library and take a look for yourself!

SCHOOL MASS

Mass on **Tuesday 21 March** will be attended by pupils in **Reception, Year 2 & Year 5**

OUR MISSION THIS WEEK

Living Water *Mission*

Your Mission can be completed either individually or as a class.

During your prayer time, spend some quiet moments inviting Jesus to fill you with His Living Water.

Ask Him to fill you with the love, peace, joy and strength of the Holy Spirit

ENRICHMENT SESSION - CLASS 4

The children in Class 4 had a wonderful time taking part in their enrichment activities this week.

The children made healthy fruit kebabs with Miss Sidwell and went on a bear hunt in the Forest school area with Mr Hadlum, they even made their own binoculars!

Miss Sidwell unfortunately forgot her purse when she went to collect the fruit for the fruit kebabs this week. The shopkeeper was extremely kind and said that she could come back at the end of the day to pay. Because of his lovely act of random kindness, class 4 wrote their own thank you card for the shopkeeper.

LENTEN CHARITIES

This week saw the third week of pupil led stalls to help raise money for CAFOD. The stalls were led by pupils in the house group, Our Lady of Knock. Pupils who missed the opportunity to lead their stall last week because of the snow also had the opportunity to join in too. Yet again, the pupils worked incredibly hard planning and leading their own stalls. Thanks you to everyone who has supported the event.

So far we have raised over £700 and we still have one more week of stalls to go and the staff Easter Egg Raffle!

Congratulations to the pupils who have been working very hard with Mrs Walsh, The Reading Doctor. These children have all made incredible progress and continue to move up the different reading levels. Well done, we are so proud of you all!

EASTER HOLIDAY PROJECT

The Seven Wonders of the World (or the Seven Wonders of the Ancient World) is a widely-known list of seven great buildings or structures from the classical time period.

CTK want to create a; 'Seven Wonders of Coventry: Local History Project'

The big picture of history is vitally important, but it is worthwhile to remember that the major events we learn about were made up of individuals, families, locals and communities that all played their part in shaping history. Local history reflects the reality that our lives are shaped by particular places and that our physical place in the world is a major determinant to how our lives are lived.

Over Easter we are asking pupils to create a poster, information leaflet or tourist guide for their favourite place of importance to the History of Coventry. Anyone taking part will receive an award and winners of the most interesting suggestions will receive a small prize.

There will be opportunities to show their work and displays created on both school sites.

Ideas could include:

- Christ the King School and Church - When was the church built? (wood/brick)
- Who have the priests been?
- When did the school open? How has it changed?
- Memorial Park
- Lady Godiva story and statue
- Watch making around Spon Street, Bicycle / car factories, our History of Silk weaving (https://www.theherbert.org/collections/social_and_industrial_history/16/silk_ribbon_weaving)
- The Coventry Cathedral (Before the bombing – old cathedral build when/why/by whom? Rebuilding, new cathedral. Famous visitors? Community use? Cross of nails/ twinned cities),
- St Mary's Guildhall,
- Charterhouse,
- Coombe Abbey... the list is endless!
- Have fun exploring your city!

SAFEGUARDING AT CTK!

The Call of Duty (CoD) series is a worldwide gaming phenomenon, with millions of copies sold every year. The game is an online shooter which features – unsurprisingly – extreme violence, rendered in realistic graphics. Amid the explosions and potential political nature of the plot, there's much for parents to be aware of.

In the guide, you'll find tips on a number of potential risks such as offensive chat/messaging, in-game purchases and addiction.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about CALL OF DUTY: MODERN WARFARE II

The Call of Duty (CoD) series is a worldwide gaming phenomenon, with millions of copies sold every year. While 2021's release, Vanguard, wasn't quite as well received, this latest entry – Modern Warfare II – has so far proved a massive commercial success. A sequel to the recent Modern Warfare reboot (and not to be confused with the original Modern Warfare 2, from back in 2009), the game is an online shooter which features – unsurprisingly – extreme violence, rendered in realistic graphics. Amid the explosions and political nature of the plot, there's much for parents to be aware of.

AGE RATING
PEGI 18

WHAT ARE THE RISKS?

- VIRTUAL VIOLENCE**
Like most of its predecessors in the franchise, Modern Warfare II carries an 18 age rating from PEGI (the Pan-European Gaming Information system, which assesses games' content for suitability). This means players will encounter – according to PEGI's wording – depictions of "gross violence, apparently motiveless killing, or violence towards defenceless characters".
- OFFENSIVE CHAT & MESSAGING**
Most CoD players are likely to spend the majority of their time on Modern Warfare II in online multiplayer mode. This entails competing against – or cooperating with – strangers on the online battlefield. The fast-paced, cut-throat world of CoD means that communication through the game's voice chat and direct messages often turns heated and aggressive, which may upset younger players.
- IN-GAME PURCHASES**
Modern Warfare II follows the 'battle pass' model of games like Fortnite. For a fee – usually around £10 – each 'season' (every three months or so), players will be invited to complete extra challenges to earn new weapons and equipment. Different tiers of battle pass (costing more money) enable them to achieve this more quickly, while items can also be purchased from the in-game store.
- POLITICAL SENSITIVITY**
Previous CoD games have been accused of attempting to "rewrite history": failing to correctly attribute alleged war crimes to the US military, for example. The semi-fictional version of history presented on screen can cause players to misunderstand past conflicts and the real reasons they took place. This could lead to young people developing a distorted, inaccurate view of world politics.
- AN ADDICTIVE EXPERIENCE**
Multiplayer mode in Call of Duty titles revolves around levelling up your character to unlock new weapons, abilities and equipment. The process is designed so that it doesn't take too long to see an improvement, and the feeling of making meaningful progress can keep players hooked for hours. It's easy for gamers of any age to lose track of time, but younger ones are especially susceptible.

Advice for Parents & Carers

- RESPECT THE AGE RATING**
Based on accurately recreating combat situations, Call of Duty games are unflinching in their portrayal of war. Limbs are shot off and explosions send gore flying, while the previous Modern Warfare featured a lengthy interrogation and torture sequence. With Modern Warfare II offering the same style of brutal realism, it's worth reiterating that the PEGI 18 age rating is there for a reason.
- SET SPENDING LIMITS**
If your child is likely to be tempted by buying that 'must-have' weapon or item, consider removing your bank details from the console or computer to prevent indiscriminate spending – and an unwelcome bill. Pre-paid cards could be an option for in-game purchases, allowing you to control how much your child can spend in advance – and helping them learn the basics of budgeting.
- CLOSE OFF COMMUNICATION**
Unless they're playing with their real-life friends, it may be worth closing communication channels if your child plays Modern Warfare II. There's less of a team focus than in many other online combat games and therefore no real need to interact with strangers. Call of Duty fans can be intensely competitive, so even a single action by your child could provoke a barrage of abuse from strangers.
- TRY OTHER MODES**
If it seems that your child only ever plays Modern Warfare II in multiplayer, you could try out the Spec Ops mode with them – formulating strategies while enjoying each other's company. You could also play multiplayer together, taking it in turns to ensure regular breaks. Another alternative is the game's campaign mode, featuring bespoke missions and scenarios which follow an overarching plot.
