WEEKLY SCHOOL NEWSLETTER – Friday 14 July 2023

CELEBRATION FOR FATHER TOM

On Tuesday, all our school community gathered together in the Church to join Father Tom for Mass, to celebrate the 40th year of his Ordination.

Children in year 4 read beautifully and Rourke from year 6 wrote in his own words a thank you on behalf of the whole school.

The children also painted beautiful portraits which were displayed in church. Father Tom was also presented with a prayer book which included photos and a personal prayer written by every child.

Thanks to the PTA we were also able to carry the celebrations on with a tasty ice cream in the playground.

Congratulations Father Tom!!

School mass on **Friday 21st July** will be a whole school mass led by Year 6 pupils.

OUR MISSION THIS WEEK

My Yoke is Easy *Mission*

Jesus wants to take away all of our burdens and anything which feels heavy in our hearts.

If you feel worried by a problem: pause, remember Jesus is with you and ask him to help. You will probably discover the weight of the problem is lighter than you first thought.

This week Year 6 performed their version of the musical, Peter Pan. The children gave an outstanding performance full of beautiful singing and dancing as well as many comedic moments.

A special thanks to the Year 6 team, Miss Jones, Mrs Scott, Mrs Nicol and Mr Turley for supporting the pupils.

CURRICULUM ENRICHMENT AT CTK

On Tuesday, Nursery presented a celebration of their learning to their families. They also enjoyed a Drama Tots session and an afternoon tea with yummy treats afterwards. Thanks to all of the parents and grandparents who were able to support. We hope you enjoyed it as much as the children!

On Wednesday, Year 5 visited the Gurdwara Temple, the children really enjoyed learning about Sikhism. They asked very reverent questions and represented our school and Parish extremely well!

On Wednesday, Reception visited Little Lane Play Village. Both children and staff had a fantastic time. Please see the class gallery pages on the school website for more photos.

Why is good attendance important?

To ensure pupils reach their full potential both socially and academically a high level of attendance and punctuality is essential. **The expectation by the Department for Education and Local Authority is that all children's school attendance will be 95% or above each academic year.** By law, all children of compulsory school age must receive a suitable full-time education. Parents have a legal responsibility to make sure that their child attends school regularly. This means that your child should not have sessions of unauthorised absence. **Since September 2022, 31% of our children at CTK have been absent from school due to holidays taken during term time.**

Ongoing attendance percentage

At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school **for 95% of the time in line with the DfE expectations.**

SAFEGUARDING AT CTK

What Parents & Carers Need to Know about RUMBLE

AGE RESTRICTION 12+
on the App Store, 'Teen' on Google Play

WHAT ARE THE RISKS?

POLITICAL AFFILIATIONS
The company which developed Rumble is also responsible for hosting Truth Social, the often contentious news and social network founded by Donald Trump. Indeed, Rumble's content often reflects the ideas of one group of US voters, who have embraced it as an alternative to more mainstream social media. Many parents may feel that such an overtly political platform isn't suitable for young people.

PROVOCATIVE CONTENT
Rumble prides itself on championing free speech, with its CEO declaring the platform "immune to cancel culture". Many of Rumble's highest-profile content creators – such as Andrew Tate and Russell Brand – are well known for sharing opinions which are often described as extreme. While adults might be equipped to treat this content objectively, much of it may not be appropriate for a young audience.

INAPPROPRIATE MATERIAL
In very simple terms, Rumble works a little like YouTube but with far fewer censors and restrictions being applied to its content. If age-inappropriate material or potentially harmful misinformation is trending on the platform and being shared among more mature users, there's a distinct possibility that Rumble's algorithm may also recommend that content to a child.

CONTROVERSIAL FIGURES
Many of Rumble's best-known accounts are owned by individuals who have previously been banned from other social media platforms. There could, of course, be a variety of reasons behind this – but it almost certainly increases the chances of your child coming across content on Rumble which probably wouldn't be deemed acceptable on other similar platforms.

SENSITIVE TOPICS
In recent months, some prominent Rumble influencers have expressed uncompromising views on sensitive subjects such as gun control, abortion, LGBTQ issues and more. With many Rumble accounts tending to display a noticeable political bias, the concern would be that young people using the platform may not always be presented with an impartial perspective on these important and complex topics.

THE ALTERNATIVE VIEW

Advice for Parents & Carers

TALK ABOUT POLITICS
Rumble does have a team of moderators, but the nature of the platform means that some permitted content is likely to be controversial and highly subjective. That possibility might make many parents uncomfortable – but if your child does view (or hear about) something provocative on Rumble, it can still provide a useful opportunity to discuss politics at home in a safe, relaxed environment.

RESEARCH ALTERNATIVES
No video-sharing platform is totally free from potentially harmful content, of course – but the number of prominent account holders on Rumble whose output has previously been banned from similar services is certainly a cause for concern. If your child is becoming interested in influencer culture or politics specifically, you could perhaps research more family-friendly platforms together.

CHECK UP REGULARLY
Like any video-sharing platform, there's a chance that Rumble might suggest inappropriate content for your child. There may be an algorithm issue – or it could be that the recommendations are based on videos they've previously viewed. If your child uses Rumble, you might consider a chat with them about which accounts they follow and what type of content is suitable for their age.

DISCUSS IMPARTIALITY
Many prominent Rumble accounts wear their political leanings firmly on their sleeves. As a result, it can be tricky for impressionable young people to appreciate both sides of any given debate. If your child is old enough to use Rumble, you may feel that a discussion of some things they've seen might be prudent – if so, be prepared for some complex (and possibly lengthy) conversations!

Sports Fest planning is underway as the event returns this month for the 2023 instalment. The free, six-day event will be back in Broadgate from Tuesday 25 July – Sunday 30 July. As always, Sports Fest will feature a wide range of sports and wellbeing activities that are suitable for all ages and abilities.

Sports Fest falls perfectly in the summer holidays, with activities running from 10am – 4pm each day in Coventry city centre.

Local sports clubs and organisations will be at the event, showcasing their skills and offering opportunities to get involved along with National Governing Bodies. Cheerleading, judo, rugby, table tennis and goal ball are all on the sporty schedule for the week.

This year, the event will be delivered by Coventry City council in partnership with CV Life. Activities will also be hosted by a range of community organisations and sports clubs.

Councillor Kamran Caan, Cabinet Member for Public Health and Sport, said: "Sports Fest is one of the highlights of the sporting summer calendar in Coventry. Last year we celebrated 10 years of Sports Fest and we weren't going to stop there.

"We know so many love this event and it caters for all ages and abilities. And of course, it's free which means anyone in the city can enjoy the event for no cost. We will be in Broadgate all week, so we encourage people to come along, all week if they wish, and enjoy the free activities with us."

Previous Sports Fest events that have been held attracted thousands of residents and visitors. 2022's 10th anniversary event attracted more than 15,000 people in just six days. Each morning, there will be a quiet hour from 10am - 11am for those who wish to enjoy the sports and activities in a quieter environment.

Wendy Jackson, Community Engagement Manager, CV Life, said: "CV Life is really excited to be a part of Sports Fest again this year. As always, the event is going to be great and I hope we get to see lots of happy faces and families enjoy what will be on offer.

"Local clubs, groups and organisations will provide a whole host of activities to engage with all ages and abilities. We hope to see as many people enjoy the week of free activities and get as many people as possible active outdoors this summer holiday."

Coventry's discount scheme, Go CV, will also be celebrating a special milestone during Sports Fest. More information will be revealed on this soon.

Keep up to date on the [event page](#) and on the Coventry Sport [Facebook](#), [Twitter](#) and [Instagram](#).

Encourage your child to attend school on their birthday. We will enjoy celebrating their special day with them.

Always encourage your child to attend and participate in all areas of school life.

Please contact school if your child is going to be absent, has a medical appointment or is going to arrive late. All pupils that arrive late must report to the main office.

Ensure that your child attends school regularly so that they can achieve their full potential.

Please avoid booking holidays in school time. Every minute of their education counts.

Please contact school if you have any concerns. Keeping communication open is essential to enable your child to enjoy their time at school.

Thank you for your support.
