

CELEBRATION OF THE COVENTRY PEACE AWARD

On Monday, we were very lucky to receive a visit from the Lord Mayor as he came to school to present the children with the Coventry Peace Award. This award was in recognition of the efforts of all of our children and staff, due to excellent work in promoting Peace and Reconciliation.

Despite the rain at the beginning, Deacon Tony and the children led a wonderful service in the Prayer Garden. A child from each class read a beautiful bidding prayer and some year 6 pupils read their own poetry inspired by the Coventry Blitz. To end the service, the Lord Mayor and members of our wider school community enjoyed tea and cake in the hall.

Thank you to all of the parents and grandparents who were able to come and support the event.

OUR MISSION THIS WEEK

The Sower *Mission*

This year, the love of God was been sown into your heart as you listened to his Word and prayed.

To help this love of God grow over the Summer, make a few simple promises. You could pick a time to pray each day, go to church during the week or read a short section of the Gospels each evening.

SPORTS AT CTK

On Tuesday, the Year 5 Tag Rugby team had a great day out at the Butts Arena. Both teams played brilliantly and showed great Team spirit. Well done to all involved, we are so proud of you!

On Wednesday, we saw a brilliant effort from the year 4&5 girls football team when playing in the Premier League Primary Stars Tournament.

The girls gave it their all and we are so proud of all they have achieved!

END OF YEAR PERFORMANCES

On Wednesday, Year 2 performed 'A Celebration of Learning' not once, but twice to their families. We are so proud of year 2 for performing an outstanding assembly full of beautiful singing, fantastic acting and great dance moves! It was the perfect way to celebrate the children's hard work and achievements this year.

On Thursday, Year 6 performed a final end of year celebration assembly. The morning was filled with dancing, singing, wonderful memories and a celebration of achievement certificate for every child. It was a great opportunity to look back on all that the children have achieved during their time at CTK and wish them good luck for the future as they embark on a new journey to secondary school.

HISTORY - SUMMER HOMEWORK CHALLENGE

Rerunning our History Project Inspired by The 7 Wonders of the World....

The Seven Wonders of the World (or the Seven Wonders of the Ancient World) is a widely-known list of seven great buildings or structures from the classical time period.

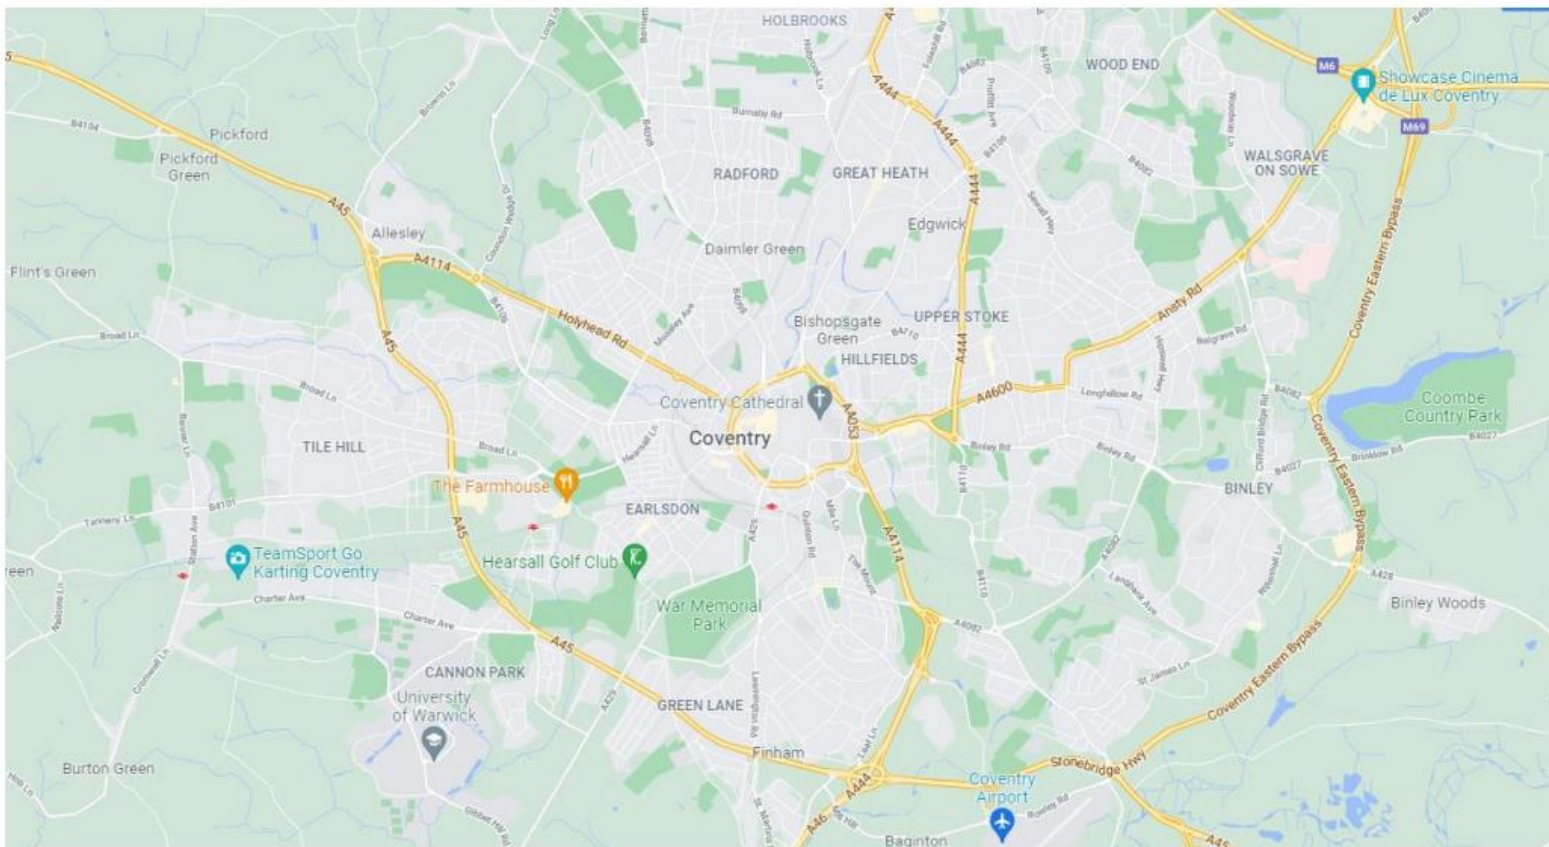

CTK want to create a; 'Seven Wonders of Coventry: Local History Project'

The big picture of history is vitally important, but it is worthwhile to remember that the major events we learn about were made up of individuals, families, locals and communities that all played their part in shaping history. Local history reflects the reality that our lives are shaped by particular places and that our physical place in the world is a major determinant to how our lives are lived.

Over Summer we are asking pupils to create a poster, information leaflet or tourist guide for their favourite place of importance to the History of Coventry. Anyone taking part will receive an award and winners of the most interesting suggestions will receive a small prize. There will be opportunities to show their work and displays created on both sites.

Ideas could include: Christ the King School and Church(When was the church built? (wood/brick)Who have the priests been? When did the school open? How has it changed?) Memorial Park, Lady Godiva story and statue, Watch making around Spon Street, Bicycle / car factories, our History of Silk weaving (https://www.theherbert.org/collections/social_and_industrial_history/16/silk_ribbon_weaving) , The Coventry Cathedral (Before the bombing - old cathedral build when/why/by whom? Rebuilding, new cathedral. Famous visitors? Community use? Cross of nails/ twinned cities), St Mary's Guildhall, Charterhouse, Coombe Abbey... the list is endless!

Have fun exploring your city!

Why is good attendance important?

To ensure pupils reach their full potential both socially and academically a high level of attendance and punctuality is essential. **The expectation by the Department for Education and Local Authority is that all children's school attendance will be 95% or above each academic year.** By law, all children of compulsory school age must receive a suitable full-time education. Parents have a legal responsibility to make sure that their child attends school regularly. This means that your child should not have sessions of unauthorised absence. **Since September 2022, 30% of our children at CTK have been absent from school due to holidays taken during term time.**

Ongoing attendance percentage

At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school **for 95% of the time in line with the DfE expectations.**
