CONGRATULATIONS

On Saturday, a group of brave girls from year 4 took part in the Cancer Research Muddy Run, Race for Life. Well done to:

Ina, Millie, Bridget, Ivy, Phoebe, Emmy, Emelia, Ruby, Aoife from class 9 & Ruby Slater from Class 5. The girls all had a great day while raising an amazing amount of money for charity. So far they have collectively raised over £1500. Well done girls, we are so proud of you all!

Congratulations to Louis and his football team who have achieved great success this week. Over the last month, The Carl Baker Academy in the MJPL league have played two tournaments of which they won the overall competition! Louis proudly came home with two medals and a trophy. Well done Louis!

Why is good attendance important?

To ensure pupils reach their full potential both socially and academically a high level of attendance and punctuality is essential. **The expectation by the Department for Education and Local Authority is that all children's school attendance will be 95% or above each academic year.** By law, all children of compulsory school age must receive a suitable full-time education. Parents have a legal responsibility to make sure that their child attends school regularly. This means that your child should not have sessions of unauthorised absence. **Since September 2022, 29% of our children at CTK have been absent from school due to holidays taken during term time.**

Ongoing attendance percentage

At CTK we carefully monitor your child's attendance and punctuality percentage on a daily, weekly and monthly basis to ensure that pupils are attending school **for 95% of the time in line with the DfE expectations.**

SAFEGUARDING AT CTK

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Our Academy is not a School, College or Academy in the traditional sense of the word, you don't need to be academically minded to attend and there are no tests, exams or assessments. The Academy delivers a learning approach to personal recovery and wellbeing that is offered by a partnership of organisations across Coventry and Warwickshire. We offer a wide range of FREE courses and workshops designed to empower you to become an expert in your own recovery and wellbeing.

ATTENDANCE AND PUNCTUALITY

Your child's education is a one off opportunity. Make the most of it.

Please do not keep siblings at home if one of your children are ill. Contact school to seek advice.

It is a legal requirement that all children from the age of five are to attend full time education regularly.

Encourage your child to attend school on their birthday. We will enjoy celebrating their special day with them.

Always encourage your child to attend and participate in all areas of school life.

Please contact school if your child is going to be absent, has a medical appointment or is going to arrive late. All pupils that arrive late must report to the main office.

Ensure that your child attends school regularly so that they can achieve their full potential.

Please avoid booking holidays in school time. Every minute of their education counts.

Please contact school if you have any concerns. Keeping communication open is essential to enable your child to enjoy their time at school.

Thank you for your support.
