WEEKLY SCHOOL NEWSLETTER – Friday 23rd February 2024

STATIONS OF THE CROSS

We hope you and your families had a good break over the half term.

As you know, we have now entered the season of Lent. This is a very important time in the Liturgical calendar. The children have been reminded that this season is an opportunity to try and be like Jesus, to resist temptation and to use this time to become closer to God.

Each Friday, the children will lead Stations of the cross in church at 2:30pm. Parents and Grandparents are welcome to join us.

LENTEN CHARITIES

This week Our Lady of Fatima led Lenten charities. It was a fantastic event. Thanks to everyone who supported this fantastic event. All money raised will be donated to CAFOD. Please see X and our website for more photos.

This week, Claire the Art Lady, has been busy painting two more beautiful murals. This time in the school hall at SL site. Thanks to the PTA who have funded this project.

Children in Years 3 – 6 are welcome to join staff in the choir loft.

Children in Reception – Year 2 are welcome to participate in children's liturgy.

OUR MISSION THIS WEEK

Meaning of Lent *Mission*

Lent is a time to pray, fast and give. We do this to make space in our lives for Jesus.

Go to Jesus in prayer and ask him how he would like you to complete these Lenten practices. Remember, every time you pray, fast or give, you are turning to face God.

Year of Prayer Task

This week, our Chaplaincy Team have led assemblies at both sites to launch our Year of Prayer Activity. We are challenging all children to create a craft or piece of work linked to the 'Our Father' prayer, as this is the prayer that Pope Francis has asked us to focus on during the Year of Prayer. We have display space at both sites, as well as some space in Church that Father Tom has kindly allocated to us. We can't wait to share the creations with our wider community, for all to enjoy. Here are some ideas:

READING NEWS: WORLD BOOK DAY

Spring term 2024

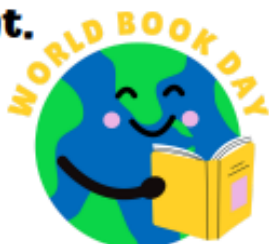

This year, World Book day falls on Thursday 7th March. We are asking all pupils to come to school this day dressed up as a word.

We are excited to see what word they choose to dress up as. Not only is this great for enriching their vocabulary, but is also cost effective and lots of fun can be had. Please see over the page for ideas.

Children at Scots Lane will have an author visit on this day from Lorraine Gregory and children at West Hill Road will take part in workshops on Friday 15th March from illustrator, Steve Smallman. More information will be shared soon.

Letters have gone out to every year group with information of how they can purchase a book and have it signed by the author/illustrator . Please return the order form and money to school in a labelled envelope with your child's name and class on the front.

Well done to Isla-Rose for achieving star of the week at Netball. Isla was awarded this for great listening and for putting into practise everything the coaches had said to her. The coaches also said that Isla-Rose's footwork was perfect and told her that her shooting has really improved. Well don't Isla-Rose, we are so proud of you!

This weeks focus – Snap Chat

CONNECTING WITH STRANGERS

Even if your child only connects with people they know, they may still get friend requests from strangers. The Quick Add option lets users befriend people the app recommends – but these 'friends' are merely a username, which could have *anyone* behind it. Accepting such requests reveals children's personal information through the Story, SnapMap and Spotlight features, potentially putting them at risk from predators.

ONLINE PRESSURES

Although many of Snapchat's filters are designed to entertain or amuse, the 'beautify' effects on photos can set unrealistic body-image expectations – creating feelings of inadequacy if a young person compares themselves unfavourably with other users. Snapchat now also has 'priority' notifications (which still get displayed even if a device is in 'do not disturb' mode), increasing the pressure on users to log back in and interact.

VISIBLE LOCATION

Snap Map highlights a device's exact position on a virtual map which is visible to other users. There are options to restrict who can see this information: all friends, only you (Ghost Mode) or selected friends. Snapchat also has real-time location sharing, which is intended as a buddy system to ensure friends have reached home safely – but which could also be used to track a young person for more sinister reasons.
