E-Safety: The National College

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children. We are therefore delighted to announce that Christ the King Catholic Primary School have shown our commitment to protecting our pupils online by working with National Online Safety, which provides resources for parents and carers.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics.

Create your account, please follow <https://nationalcollege.com/enrol/christ-the-king-catholic-primary-school-7> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device - including via a smartphone app..

Year 4 – Multiplication Check

June 2023

The MTC is an on-screen check consisting of 25 times tables questions. Your child will answer 3 practice questions before moving on to the official check, and will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help teachers to identify if your child may need additional support

Your child's teacher will share your child's score with you in the summer term report. There is no pass mark for the check.

To practice – use the Garage area on TTRS.

For further details you can also visit www.gov.uk/STA

We have successfully raised a lot of money over the school years with support from parents and staff, but we are continuing to seek more enthusiastic parents to support the school.

If you are interested in becoming involved, please contact the school via parent link to express your interest or on their Twitter page [@CTKPTACov](#)

Termly Reports

Termly reports regarding your child's progress and attainment will be sent home towards the end of each half term.

You will also have the opportunity to speak to your child's class teacher during each term in a planned parent consultation meeting - more information will be shared during the half term.

If you have any questions regarding your child's SEND support or provision, please email via parent link your child's class teacher or the school's SENCo Mrs Horrocks.

Thank you!
