

# READING NEWS

Autumn term 2023

## Tales from the Drift!

Thank you so much to all those who entered the reading competition to create a character for Tales from the Drift. These have now been collected and are being sent to Chris Morris today to be judged. More information will follow soon.

We also have multiple copies of each book in the library for children to borrow and read.

## Library update:

Our KS2 library has been out of use whilst we move all of our books onto a new system. This has been a long job and we are so fortunate to have Mrs Hogan who has been leading on this with support from our wonderful TAs in school. This will be up and running in the next few weeks for children to loan books. In the meantime, children are able to access other books we have in school on loan from the Coventry School Library Services.
