WEEKLY SCHOOL NEWSLETTER – Friday 15th March 2024

LENTEN CHARITIES

This week, Our Lady of Lourdes House led Lenten charities. Luckily, the weather was on our side and all pupils were able to attend the fundraising event together. There was a fantastic atmosphere on the playground - the children had a great time!

We have also started selling raffle tickets in school this week for the staff Easter Egg raffle - one ticket will be 20p.

All money raised will be donated to CAFOD.

Wednesday 20th March is the final week for Our Lady of Walsingham.

THE YEAR OF PRAYER

Thank you to all of the children that have submitted their own piece of artwork or prayer to Mrs Ball for the Year of Prayer. The children's work will be proudly displayed at school or in church.

The children have also been busy during their lunchtime decorating signs to show how we can show our understanding of the prayer, Our Father.

REMINDER!

On Friday 22nd March, the afternoon session for the After-School Club will be closed.

Please note that the before school club session will still be on.

Thank you

This weeks focus – Sexing

Sexing involves the sending, receiving or forwarding explicit messages, images, or video of a sexual nature. Although mobile phones are the most common vehicle for sexting, the term can also apply to sending sexually explicit messages through any digital media such as email, instant messaging and social media sites. These messages can be sent to or from a friend, boyfriend, girlfriend or someone your child has met online. Sexting is often described as "the new flirting" for children, but **it is illegal for anyone under the age of 18**. Some of the main platforms that sexting occurs on are Snapchat, WhatsApp, Facebook Messenger and Instagram.

PERCEIVED AS 'BANTER'

Many young people under 18 see sexting as 'banter' and an easy way to show someone that they like and trust them. Whilst it is a criminal offence, the reasons for taking and sharing can be very innocent and all part of growing up, understanding their own sexuality, and establishing a relationship. However, whilst most images and videos are taken and shared willingly, there can be unintentional consequences, embarrassment, humiliation, and emotional hurt.

NO CONTROL

Once a photo or video is out there, there's no way of knowing how many people have saved it, tagged it, or shared it. Children like to show off to their peers and, suddenly, an image has gone beyond its intended recipient to classmates, friends, and even strangers. Once an image or video has been shared online, there's nothing to stop it being archived and repeatedly shared.

Skips Safety Net

Keeping children safe online

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
