

Christ the King Primary School

Summer Term One in Year 1

English

We are looking at description, writing a letter and story writing..

We will be focusing on:

- Phonics- differentiated groups
- Traditional Tales – The Magic Porridge Pot.
- Classic story- Where The Wild Things Are by Maurice Sendak
- Character descriptions
- Speaking and listening
- Reading comprehension
- Anima Phonics Spelling scheme

We are reading

We will be developing our fluency, pace and stamina.

We hear the children read as regularly as we can in Year 1.

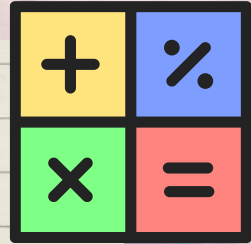

Please help us by hearing them read each evening at home.

Maths

We will be looking at:

- Counting in 2s, 5s, and 10s.
- Multiplication/Division
- Adding equal groups
- Fractions (Finding $\frac{1}{2}$ and $\frac{1}{4}$)
- Measure – Length and Time.
- Measure – Mass and Capacity

Please access Doodle Maths at home!

Science

Our topic this term is Materials.

We will be:

- Identifying different types of materials.
- Exploring the properties of Materials.
- Understanding the use of different materials.

Religious Education

In Religious Education, we will be learning about The Easter Story and Pentecost. We will also be learning about the key events in Jesus' life and the Disciples. We are going to explore forgiveness and how we show love to each other. The children will take part in collective worship in school and church.

History

Our topic for History is The Monarchy. We will be learning specifically about Queen Elizabeth II and the key events within her life.

Geography

In Geography, the children will be learning about Wonderful Weather. We will explore the different types of weather as well as learning about how weather is forecasted!

Art

Joan Miró- We will be learning about Realism and Surrealism art as well as experimenting with sculpture art in the style of Joan Miró.

P.E

We will be following the Get Set 4 PE Scheme to develop coordination skills and teamwork through target games.

Music

This term we will continue to have a weekly music lesson with the Coventry Music team focusing on developing our understanding of music.

Computing

We will be learning to create media through digital writing.
