

Christ the King Primary School

Summer Term One in Year 3

English

Children will write a narrative based on a fiction text as well as writing letters. We will also be focusing on skills from our previous PiXL Assessments. We will be focusing on Gregory Cool as our Narrative text.

- To use a wide range of vocabulary and to check the spellings with a dictionary
- To recognise subordinate conjunctions.
- Recognising different classes of words

We are reading

We will be developing our fluency, pace and stamina.

Reading takes place daily and whole class reading will also take place.

Maths

We will be looking at:

- Length and Perimeter
- Fractions
- Mass
- Capacity

It is extremely important that all children know their 2,3,5,8 and 10 times tables by heart.

Science (Catch up from Spring 2)

Plants

Identify and describe functions of different parts of flowering plants

Explore the requirements of plants for life

Investigation.

Religious Education

We will be learning about the story of Easter and how we reflect on this, Whilst also preparing for our First Holy Communion. Each term, children will work together to plan, lead and present a Collective Worship for the class. As the children are making their First Holy Communion this term, it is important that they try and join us for 9am Sunday Mass to sing in the choir. If they can't attend, we ask that they try and attend mass on one of the other times.

History

(Continuing on from Spring 2 Catch up)

Our topic for history is The Romans. We will investigate why the Romans came to Britain. About Roman soldiers, Roman transport, clothing and Roman numerals. Once we have completed our Romans topic we will move onto Early Islam.

Geography

Before Surveying the land we will be catching up and completing our Rainforest unit.

Surveying the Land

We will be creating simple sketch maps of the local area, describing key aspects of human geography, creating simple map to show how land is used and using maps and atlases to explain different types of farming

Art/DT

(Continued catch up from Spring 2)

We will be completing our Kite unit from DT, then following this we will focus on British Art. In the 'British Art' unit the children will learn to use a range of media for making portraits: create abstract 'cut ups', tell stories in pictures and write memory postcards. The children will also have the opportunity to explore the work of British artists such as Thomas Gainsborough, Lucian Freud and Howard Hodgkin.

P.E

Children will complete the gymnastics unit as well as both football lessons.

Music

Melodica weekly lessons

Computing

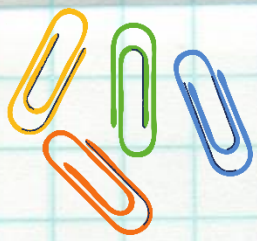

We will be learning how to create databases.

French

(Continuing on from Spring 2 Catch up)

We will be learning about fruits and vegetables.

Christ the King Primary School

Summer Term Two in Year 3

English

We are reading

Classic book study –
Charlotte's Web by
E.B. White.

Children will be watching the film adaptation of the book along with reading the book. Children will then be writing their own rescue story based on the plot and theme of Charlotte's Web. These stories will be shared with year 6.

We will be developing our fluency, pace and stamina.

Reading takes place daily and whole class reading will also take place.

Maths

We will be looking at:

- Time
- Statistics
- Fluency of arithmetic

It is extremely important that all children know their 2,3,5,8 and 10 times tables by heart.

Science

Light

Identify light sources, Understand that we need light to see. Know that light travels in a straight line.

Identify reflective surfaces. Know that the sun can damage their eyes. Know how to protect their eyes from the sun. Understand that a shadow is formed when a solid object blocks light.

Religious Education

During our final term we will be focusing on ... The Eucharist is a thanksgiving to God

Prayer

Pentecost

Exploring Judaism

Each term, children will work together to plan, lead and present a Collective Worship for the class.

As the children are making their First Holy Communion this year, it is important that they try and join us for 9am Sunday Mass to sing in the choir. If they can't attend, we ask that they try and attend mass on one of the other times.

History

Our topic for history is Early Civilizations. We will find out where and how early Islamic Civilization began, what the buildings were like and what discoveries were made.

Geography

Surveying the Land

We will be creating simple sketch maps of the local area, describing key aspects of human geography, creating simple map to show how land is used and using maps and atlases to explain different types of farming.

Art

Insects

Create sketches to record observations using pencils
Use oil, pastels and coloured pencils to draw an insect

Create an insect mosaic

In DT we will be focusing on different fruits and vegetables.

P.E

Children will have both athletics and cricket lessons.

Music

Children will work through the next unit on Charanga.

Computing

We will be learning how to program.

French

We will be learning about Ice Creams.
