

Christ the King Primary School

Summer Term One in Year 2

Maths

- Choose and use appropriate standard units to estimate and measure length/height.
- Compare and order lengths, mass, volume/capacity and record the results using $>$, $<$ and $=$.
- recognise, find, name and write fractions $1/3$, $1/4$, $2/4$ and $3/4$ of a length, shape, set of objects or quantity.
- write simple fractions for example, $1/2$ of $6 = 3$ and recognise the equivalence of $2/4$ and $1/2$

Science

Everyday Materials

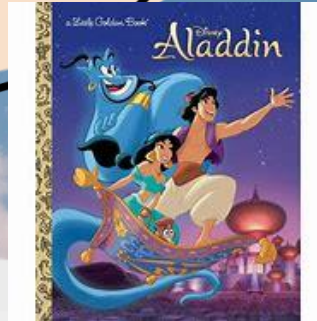

- identify the uses of different everyday materials.
- explain what three different materials can be used for
- compare the suitability of different everyday materials
- explain how the shapes of objects made from some materials can be changed.
- identify materials that can be recycled.
- explore the inventions of John McAdam

English

Aladdin

- Use adjectives to describe Aladdin and the Magician
- Write a summary of the story.
- Identify the progressive past and present tense
- Use superlative adjectives and adverbs
- Write a diary as Aladdin trapped in the cave.

We are reading

We will be developing our fluency, pace and stamina

Reading takes place daily and whole class reading will also take place.

Religious Education

EASTER

Know that the disciples were totally surprised by the Resurrection of Jesus.

Understand reasons why the disciples were so surprised to find Jesus alive again. Know that water, light and the colour white are special signs of Easter.

PENTECOST

Know the story of Pentecost from the Acts of the Apostles. • Understand that Jesus' promise to send the Holy Spirit was fulfilled. • Empathise with the thoughts of the disciples through discussion and writing. • Know that Pentecost Sunday is known as the birthday of the Church.

History

We will be learning about the changes in technology. Pupils will be looking at toys from the Victorian era and comparing them to toys from the present day. They will look at these changes using sources and describe the changes that have happened.

Geography

Our topic is 'Magical Mapping'. We will be drawing sketch maps, using compass directions to move around a map, identifying map symbols and using the key features of an atlas.

Art

L.S. Lowry

Pupils will compare L.S. Lowry paintings and look at the composition of his works. They will then paint a seascape using the same colours as Lowry and also make a city collage.

P.E

Pupils will develop the basic skills involved in net and wall games. They will develop their understanding of using the ready position to defend their space.

Music

Children will be learning how to play glockenspiels and sing with harmonies.

Computing

We will be creating digital writing using the keyboard and tool bar.
