

CONFIRMATION

Last weekend, year 6 made their sacrament of Confirmation. This was a very special celebration where the children renewed and confirmed for themselves the vows which were made on their behalf when they were baptised.

The children were a real credit to the school and their families.

A special thank you to the year 6 team for preparing the children so well. Thank you also to all the children that joined staff in the choir for the special masses.

We are also very grateful to Father Tom for his continued support and guidance during the children's journey of faith.

All photos can be viewed on the class website page.

OUR MISSION THIS WEEK

Draw or paint an image of the Sacred Heart of Jesus. You can then pray about what Jesus's Sacred Heart is like and write some words around your image to describe it. Finally, place your image in a special place so that you can pray with your image of the Sacred Heart all through the month of June.

On Friday 7th June we celebrated the 80th Anniversary of D Day.

D-Day was a significant victory as it allowed Allied forces to regain control on the Western Front, changing the course of the war. Although more battles needed to be fought, liberating France marked the beginning of the end of World War II.

We celebrated D-Day with a whole school picnic on the field and finished the celebration with a prayer service led by year 6.

Thank you to Lucie and her Mummy for donating a beautiful cake from Maria's Bakery.

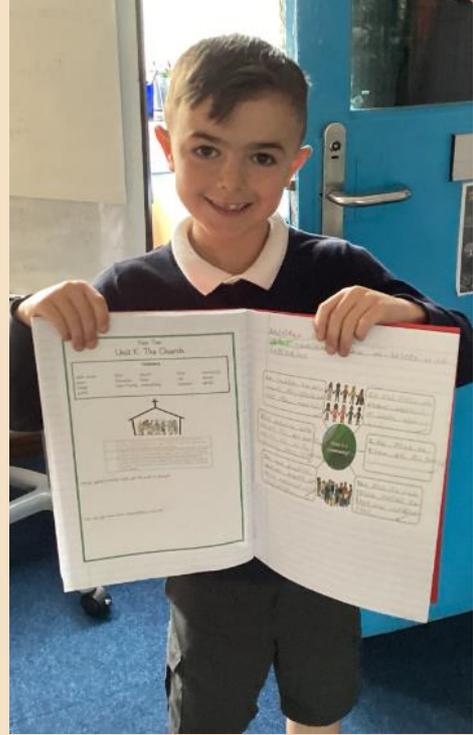

Check out our RE 'piece of the week' from each key stage!

This week's focus – Bullying

This information provides some useful strategies for healthy conversations to help support a child who is experiencing bullying.

1. WATCH FOR BEHAVIOURAL CHANGES

Children who are experiencing bullying may become quiet, withdrawn, or anxious; however, they may also act on the pain and anger that they're feeling. A shift in attitude towards their existing friends (or not mentioning them any more at all) or alluding to new friendships which seem notably different could also be warning signs. It's important to be alert to such changes and talk to your child about them if they occur.

2. THINK THINGS THROUGH

Before acting, ask yourself if this is the right time and place to address concerns about bullying. Might your worries trigger strong feelings – perhaps from your own experiences – that could discourage your child from opening up to you? You could try discussing what you've noticed with another trusted adult who knows your child well.

3. BE OPEN AND UNDERSTANDING

Try to outline to your child the changes that you've noticed in their body language, appearance, behaviour, or tone of voice – and do so without sounding judgemental. Help them to describe what they're feeling – be it anger, sadness, fear or something else – as accurately as possible. If they say they're "angry", do they mean "enraged" or "frustrated"? This will help them to understand how they're feeling and why.

10 Top Tips for Parents and Educators FAIR PLAY AND FRIENDLY COMPETITION

In school sports, fair play and friendly competition are important for character development. Fair play embodies respect and integrity while good-natured competition balances rivalry with camaraderie. This guide addresses potential challenges – like the pressure to win – and offers practical tips on instilling values of fair play and cultivating a positive sporting environment for young athletes.

1 LEAD BY EXAMPLE

Parents, carers and teachers should try to exemplify fair play: demonstrating respect for opponents, coaches and officials. Children frequently learn by observing adult behaviour, so displaying a sense of fair play sets a powerful precedent for them to follow in their own actions on and off the field.

2 EFFORT OVER OUTCOME

Encourage children to focus on giving it their all, rather than basing their entire performance on whether they win or not. This fosters a growth mindset, where the journey and the process of improvement are valued just as much as the end result. It also reduces the pressure to “win at all costs”, which can be a harmful outlook in some situations.

3 SET CLEAR EXPECTATIONS

Establish clear guidelines and expectations for behaviour before, during and after sporting events. Ensuring that children understand what is considered acceptable conduct helps prevent misunderstandings and promotes a positive, respectful atmosphere.

4 HIGHLIGHT COOPERATION

Underline the value of teamwork and cooperation in achieving success. Success isn't just about individual achievements, but about how well the team communicates, encourages each other and works together towards a common goal. A strong focus on cooperation fosters camaraderie and mutual support among players.

5 DISCUSS ACCEPTING DEFEAT

Help children to understand that they can't win every contest – that losing occasionally is a natural part of both sport and life in general. Teaching them to accept defeat gracefully and learn from their mistakes promotes resilience, humility and the ability to bounce back stronger from setbacks. Taking a loss in one's stride is also an admirable trait and can help children and young people garner respect in their future life.

6 ENCOURAGE INCLUSIVE PARTICIPATION

Promote an environment where all children feel welcome and valued, regardless of their skill level. Prioritise the importance of participation and enjoyment over winning, creating a supportive atmosphere where every child can thrive and develop their abilities without unnecessary pressure.

7 FOSTER CONFLICT RESOLUTION SKILLS

Teach children how to resolve conflicts peacefully and respectfully, both on and off the field. Providing them with strategies for effective communication and problem-solving helps build stronger relationships and enhances their ability to navigate challenges, which can be a huge boon to them throughout their adult lives.

8 TEACH RESPECT

Emphasise to children the importance of respecting everyone involved in the game, regardless of the outcome. Respect for your teammates, opponents, coaches and officials helps to create a positive, inclusive sports environment where everyone can feel valued and appreciated.

9 GIVE CONSTRUCTIVE FEEDBACK

Offer feedback that focuses on areas for improvement rather than unfiltered criticism. Praise what a child has done well and advise on how to improve, rather than simply pointing out shortcomings. Encouraging a growth mindset and highlighting progress helps children to develop confidence, resilience and a desire to continue striving for excellence.

10 CELEBRATE GOOD SPORTSMANSHIP

Try to avoid solely drawing attention to children's physical performance on the field. Recognise and celebrate acts of sportsmanship, fair play and kindness, too. By spotlighting positive behaviour, you reinforce the importance of such conduct and inspire children to practise this in the future, creating a culture of respect and camaraderie within the sports community that does wonders for morale.
